The 39th annual Norwood Christmas Pageant was a wonderful Christmas celebration enjoyed by young and old!

# Mayor's Message

## *Welcome to the December 2016 edition of Look East*

The festive season got off to a great start on 26 November, with the 39th Norwood Christmas Pageant entertaining a crowd of more than 15,000 people.

To celebrate the festive season, the Council and the Norwood Parade Precinct Committee invested in new street decorations for The Parade this year.

In addition, our local schools have contributed to the festive season in our City. Special thanks to the students from R-12 from local schools (Norwood Primary, Pembroke College, Prince Alfred College, St Peters College, St Peters Childcare Centre & Preschool, St Ignatius (Junior), St Joseph's Memorial and St Joseph's Payneham), who decorated the 30 large wooden Christmas Trees which are displayed on Osmond Terrace. Read all about this great initiative on pages 4 and 5.

Finally, the spirit of the festive season has also been captured by Dominic Cameron, a Year 2 student at St Joseph's Payneham, who was

awarded the overall winner of the 2016 Mayor's Christmas Card Competition. The creations by each of the category winners in the competition can be seen on pages 2 and 3.

The past 12 months has been a challenging period for the Local Government sector in South Australia. A number of proposed changes to legislation, combined with intense media reporting, means that councils across the state are being scrutinised like never before.

Faced with calls for better accountability, transparency and 'value for money', councils must confront what I believe are the three "R's" of Local Government: reform, responsiveness and relevance.

Firstly, councils must be genuinely open to change, try new solutions to fix old problems and view reform as an opportunity to achieve best practice, not a barrier to continue current or past practices.

Secondly, councils must continually work to stay in touch with their communities through regular engagement and respond quickly and decisively to address emerging needs and changing aspirations.

Ultimately, it is the ability to be innovative and agile in a time of rapid economic, social and environmental change, which will determine the relevance of councils in the daily lives of 1.6 million South Australians.

The upcoming Community Survey and the review of *CityPlan 2030* are two examples of how the Council measures the 'temperature' of our

community, with citizens having a say in the performance of the Council and the future direction of our City.

The feedback from both of these engagement processes will assist the Council in its assessment of the services, programs and infrastructure it will deliver in 2017 and beyond.

Looking ahead, the Council will progress the Norwood Oval Clubrooms, Felixstow Reserve Wetland and The Parade Masterplan, while the Payneham Oval Clubrooms will benefit from a \$1 million upgrade.

The immensely popular local 'Food Secrets' Bus Tours will continue in 2017 with the inclusion of food businesses in Stepney to complement those in the Glynde area.

In closing, I would like to thank the Elected Members for their work and dedication to our community. Thanks also to Council staff, led by Chief Executive Officer Mario Barone PSM, and the more than 250 Volunteers who selflessly give their time, skills and experience to improve the well-being of our community.

On behalf of my wife, Pina, and our children, Isabella, Christian and Charlotte, I would like to extend my warmest wishes to you all for a Merry Christmas and safe and prosperous New Year.

**Robert Bria**  
**Mayor**

# Merry Christmas from school children!

## *2016 Mayor's Christmas Card Competition*

Children from local schools have captured the spirit of Christmas in drawing, painting and decorating festive scenes of their choice to enter into the 2016 Mayor's Christmas Card Competition.

The Mayor's Christmas Card Competition is hosted by the City of Norwood Payneham & St Peters each year, inviting local school children to participate in this fun, creative competition.

The competition was open to children in year levels, Preschool to Year 5, from all schools in the Council area. 130 children from 13 schools took part in producing a very high standard of entries, which were judged by Mayor Bria and awarded first, second and third prizes from each year level, in addition to a Mayor's Choice Award and an overall winner.

The Mayor presented the prizes at a reception event held on Monday 21 November 2016 at the Norwood Concert Hall.

The Mayor's Christmas Card Competition will be held again in 2017. For further information, please contact the Council's Executive Assistant, Governance & Community Affairs, Cathy Condina, on 8366 4612.

*Congratulations to all of the children who participated in the 2016 Mayor's Christmas Card Competition and in particular to the winning entries from each year level:*

# Christmas ON PARADE

Norwood has been transformed into the festive heart of the City as part of the 'Christmas on Parade' initiative, which has seen new, high quality decorations installed along The Parade and a gallery of Christmas trees created by local school students, on Osmond Terrace.

An initiative of the City of Norwood Payneham & St Peters and the Norwood Parade Precinct Committee (NPPC), 'Christmas on Parade' signifies the start of the festive season, bringing a fresh approach to Christmas celebrations in Norwood by creating a wondrous streetscape.

"The Council and the NPPC wanted to promote the spirit of Christmas in the Norwood business precinct to allow people to get into the festive spirit and make Christmas a really enjoyable time for our community," said City of Norwood Payneham & St Peters Mayor and NPPC Presiding Member, Robert Bria.

The highlight of 'Christmas on Parade' is the creative work of children from eight local schools, who worked with the Council on a unique art project to decorate wooden Christmas trees which are installed on Osmond Terrace, creating an open air Christmas tree gallery for public enjoyment.

Children from various year levels at St Peter's College, St Joseph's School Payneham, Norwood Primary School, Prince Alfred College, Pembroke School, St Joseph's Memorial School, St Ignatius Junior School and St Peter's Child Care Centre & Preschool participated in the Christmas trees project.

## *Christmas Tree Gallery – People's Choice Award Competition*

The project was assisted by Brick+Mortar Creative who facilitated the design and construction of the trees, along with Haymes Paint Norwood who sponsored materials to make the trees.

“‘Christmas on Parade’ has transformed this major business and retail precinct into a festive and welcoming place for people to do their Christmas shopping throughout December,” said Mayor Bria.

“The Council is particularly excited by the involvement of local school children in the Christmas tree gallery project and has loved seeing the gallery displayed for all members of the public to enjoy,” said Mayor Bria.

In addition to the Christmas tree gallery, new decorations on The Parade include a set of six metre tall contemporary illuminated Christmas trees on the median strip in front of the Norwood Town Hall and a series of LED star burst motifs and ‘Christmas on Parade’ branded street banners.

For further information about the ‘Christmas on Parade’ initiative, please contact the Council’s Economic Development Unit on 8366 4616.

**The community is invited to view the Christmas trees and nominate their favourite tree for the People’s Choice Award competition!**

Simply follow The Parade Norwood on Facebook and ‘Like’ the photo of your favourite tree before 27 December 2016.

The tree with the most likes by close of competition will win the school a \$250 Norwood Foodland voucher.

## From Your Elected Members

**Cr Lucy Marcuccitti**  
*Kensington Ward*

T: 8332 5483

It has been a busy and challenging year for the Council. With a lot of discipline, the Council has been able to achieve a workable and balanced budget, whilst keeping rates at a minimum.

I am looking forward to the events and projects which will be delivered in the new year, including the Norwood on Tour Street Party and Stage 4 Start of the 2017 Santos Tour Down Under and a new music event planned for Joslin Reserve in March.

In 2017, the Council will continue to progress The Parade Masterplan and work will also commence on the implementation of the Beulah Road Bicycle Boulevard. These two major projects will greatly enhance the Norwood area.

I would like to thank my fellow Elected Members and Council staff for their tireless dedication. I would also like to thank our Volunteers for their invaluable commitment to the well-being of our community.

On behalf of myself and my family, I wish you all a Merry Christmas and a safe and prosperous New Year.

**Cr Christel Mex**  
*Kensington Ward*

T: 0401 126 173

English poet W.H. Auden once said that when two people engage in an argument, each spends half their time and energy not in producing evidence to support a point of view, but in looking for the hidden motives from the other. In contemporary times, this approach is readily apparent with Brexit, unrest in the European Union and the antics of the U.S. Election.

Unfortunately, our community is not immune from the effects of these events. They demonstrate to us, and to our young people, a lack of tolerance for diversity in both people and points of view.

We all are responsible for promoting a civil society. So let's be kind to each other this Christmas. Let's nip bad behavior in the bud and call it out. Let's champion mutual respect.

In closing, I wish everyone the very best for the holiday season, and a big vote of thanks to our charities, community groups, volunteers and service clubs who do so much for our City.

**Cr Carlo Dottore**  
*Payneham Ward*

T: 8362 3824

After a year of unusual prolonged winter weather and exceptional wet conditions, the Christmas season is upon us and has come as a welcome surprise to share with our families and friends.

This follows another year with continuous work on major projects such as the Beulah Road Bicycle Boulevard; Felixstow Reserve Wetland; The Parade Masterplan; Norwood Oval Clubrooms Redevelopment and Hackney Road O-Bahn upgrade. The impact of the demands on Elected Members and staff has been intense and taxing.

While the business as usual essential services, such as Capital Works & Infrastructure, construction and maintenance, Community Services, Planning and Development continue, the final implementation of these various Projects and further consideration of the EastLink Tram option will continue to add to the quality and amenity of our City and well-being for our community.

I look forward to a fruitful 2017 and wish you all the best for the Christmas break and the New Year.

**Cr Kevin Duke**  
*Payneham Ward*

T: 8365 2764

Christmas is a time of great joy and excitement for many people with the welcome holiday break, the giving of gifts and catching up with friends and family. For those of the Christian faith it is a time to focus on the birth of Christ in a humble stable and to reflect on the significance of that event in their personal lives and in appreciation of others.

As a Councillor elected by the community, it is a time to reflect on the actions of the Council in the provision of physical resources and fostering a sense of community.

The Council has vigorously pursued the protection of its Development Plan and the protection of the heritage character zones against the State Government's proposed changes. A sound financial position has been achieved with rate increases kept low whilst ensuring the maintenance of our roads, footpaths, parks and sporting facilities.

Myself and my family wish you all a joyous Christmas and a happy New Year.

**Cr John Frogley**  
*St Peters Ward*

T: 8362 9869

Wishing everyone in our community a merry festive season and a happy New Year.

Our City has a very special sense of place and community. We all love our leafy heritage and character suburbs and villages and strong community interest and involvement.

The years ahead will be particularly challenging for our community as the State Government's misguided planning "reforms" aim to preclude local residents and their elected representatives on Council from any real role in development planning and assessment. These "reforms" threaten a rash of inappropriate property development at variance with good planning principles and rubber stamped by the State Government.

Such a reckless and insensitive approach to development will damage the ambience and character of our City unnecessarily and permanently. If you share the concerns of your Council, please send a message of protest to the State Government and our local members of Parliament.

## From Your Elected Members

**Cr Evonne Moore**  
*St Peters Ward*

T: 8362 1152

This year I am pleased that the Council has worked with adjoining councils to begin constructing the Felixstow Reserve wetland and water recycling facility. When completed, this should be a great resource for local residents and the environment.

Hackney residents and businesses continue to suffer from the disruption and congestion caused by construction of the O'Bahn extension. The long wet winter caused flooding and pooling problems for some residents. Urban infill housing developments, as well as the construction of over-sized McMansions, leading to trees and gardens disappearing, continue to be a concern. Traffic flows down residential streets are an issue in some areas.

Thanks to everyone who works to try to make our suburbs better places. This includes Council staff, Volunteers, residents' groups and our residents. I especially thank people who contacted me with their concerns. I wish everyone a safe and enjoyable Christmas and a rewarding and prosperous New Year.

**Cr Garry Knoblauch**  
*Torrens Ward*

T: 8365 1294

It has been a long winter. At the time of writing this it is still raining. Whilst our Council area survived the severe storms better than most there are still problem areas being identified that need attention. During the past weeks the work of the SES and other Volunteers has been invaluable and their dedication is appreciated by everyone.

With Christmas approaching let's hope we can take advantage of better conditions and utilise the many recreational facilities, parks and playgrounds which are developed and maintained by the Council.

Although rate increases have been kept to a minimum many important projects will be undertaken, including Civil Capital Works \$2.9 million (roads, footpaths and kerbs), the Linear Park Path upgrade and the implementation of the Felixstow Reserve Masterplan.

Finally, on behalf of my wife Peggy and my family, I wish you all a Happy Christmas and a prosperous and healthy 2017.

**Cr John Minney**  
*Torrens Ward*

T: 8363 1101

Margaret and I take this opportunity to wish you all a Happy Christmas and a safe and prosperous 2017.

I particularly wish to thank those in our community who volunteer with organisations and clubs that provide support and assistance to people in need and for keeping our community safe and healthy; without you we are the poorer.

Thank you to those who have responded to the issues that the Council has faced recently, particularly the Planning and Development changes imposed by the State Government. The impact of these changes will be felt for some time and already concerns are being experienced in Torrens Ward.

The recent storms left a trail of debris along Linear Park. It is hoped that it will be restored before Christmas so that Linear Park can continue to provide a pleasant location for summer picnics and family outings, as this is an area of great enjoyment for us all.

Your support, assistance and comments in relation to our Ward and its needs are much appreciated.

**Cr Connie Granozio**  
*Maylands/Trinity Ward*

T: 0418 838 139

As we welcome the Christmas break and the end of what has been such a busy year, it is timely to reflect on the achievements of 2016.

The Council undertook the City-wide Schools Traffic Parking & Safety Review, which will result in a number of measures to address traffic and parking issues at schools implemented over the next two years.

Community events continue to engage residents and businesses and we were delighted to again host a stage of the 2016 Santos Tour Down Under, as well as the popular 'Parades on Norwood Parade' event as part of the 2016 Adelaide Fashion Festival.

I would like to thank our Volunteers for their dedication and support, which saves the Council thousands of dollars annually. I also thank those individuals who have raised their concerns in an effort to improve services to our community.

Wishing everyone in the community a safe and happy Christmas and a prosperous new year.

**Cr Sophia MacRae**  
*Maylands/Trinity Ward*

T: 0411 755 677

Coming to the end of the year is a chance to take some time to relax with family and friends and enjoy the many outdoor spaces in our area.

The Council is responsible for so much more than the old fashioned 'roads, rates and rubbish' and our outdoor spaces are a huge part of what local governments manage. This includes both the streetscapes of local streets and main streets, and our parks and reserves. These are places for you to use and enjoy, so please let us know what needs improving and be sure to have your say in any consultation process for upgrades.

Support our local businesses by Christmas shopping in the local area, there is so much delicious food in Glynde, treasures to be found on Magill Road and everything you need on The Parade.

Have a happy and safe Christmas and New Year and celebrate all the good things we have in our City.

**Cr Kevin Shepherdson**  
*Maylands/Trinity Ward*

T: 8363 1621

It has been an extremely busy 12 months for me as your Elected Member. I would like to thank my fellow Councillors, staff and Volunteers who have supported me during the year.

Recently I was re-elected to the Audit Committee and Traffic Management & Road Safety Committee for a further two years and look forward to working with the other Committee Members to provide good governance and process.

With the variety of topics that are brought before for the Council, there is a lot of background information to consider. I would like to thank staff for their knowledge, which helps the Council obtain a balanced understanding of the issues.

The 'Food Secrets of Glynde Bus Tours' have been very popular so if you want to go on one, I suggest you book early!

I am still enjoying the challenge of being an Elected Member and look forward to serving the residents of Maylands/Trinity Ward and broader Council area over the next two years. I wish you all a merry and safe Christmas and a prosperous New Year.

## From Your Elected Members

**Cr Paul Wormald**  
West Norwood/Kent Town Ward  
T: 0450 903 519

Christmas is more than any other, a time for family and community celebration. It is also a time to take a break and look at what is important for yourself, your family and even your community.

'Cultural vitality' is a key priority for our City. Implicit in this is support for an active and engaged community life. But our disparate digitally connected but confusing world is posing an ever-increasing challenge to our local 'sense of place'.

And this is crucial to the sense of belonging that leads people to voluntarily contribute their scarce time and enthusiasm to local community projects such as the recent *CityPlan 2030* workshops or our wonder-filled Norwood Christmas Pageant.

Local Volunteers and our many community organisations are crucial to community well-being and to making this City a better place to live and work. Sustaining a City's community life is a vital part of a Council's role but is only possible with your help.

Perhaps a commitment we should all make is: what can I do this year to make my local community a better place?

**Cr Sue Whittington**  
West Norwood/Kent Town Ward  
T: 8362 4962

Our built heritage and history help to define Adelaide and South Australia and we should protect and proudly promote these assets. However, the local heritage reforms foreshadowed by the State Government are of great concern to the Council. Norwood Payneham & St Peters has spent 40 years developing robust policies to protect our heritage and character, while still providing new growth opportunities on appropriate sites. If the Minister goes ahead with his threat to wrest control of heritage from Councils, conservation of our valued character areas will be threatened.

On a brighter note, public art generates interest and intrigue. As a member of the Council's Quadrennial Art Committee I look forward to considering a site and design for the third Major Public Artwork. The first project, Spectrum on Osmond Terrace, lights up the night with its colourful rings and is a popular spot for bridal photography. The second major artwork, Fallow in St Peters Street, is a contemporary work to commemorate the Centenary of Anzac.

May you all have a joyous Christmas and prosperous New Year.

“Wishing you a Merry Christmas and a happy and safe New Year!”

# Year in Review

## 2015-2016 Annual Report Summary

The Parade, Norwood

During 2015-2016, the Council continued to deliver on its vision of fostering a prosperous, vibrant and sustainable community.

Guided by *CityPlan 2030: Shaping Our Future*, the Council's priorities focused on improving infrastructure, enhancing public spaces, strengthening its business precincts, engaging the community and ensuring that we work towards a sustainable future.

The City of Norwood Payneham & St Peters 2015-2016 Annual Report provides a comprehensive summary of the Council's performance, achievements, challenges and financial management.

The Council is committed to transparent reporting and accountability to all of our stakeholders and the Annual Report is the primary means of advising on progress towards the outcomes and objectives outlined in the Council's Strategic Management Plan, *CityPlan 2030: Shaping Our Future*.

The following pages provide a summary of the 2015-2016 Annual Report, including the projects, services and initiatives which were undertaken by the Council during 2015-2016, some of our challenges and plans for future projects. An overview of the Council's financial performance is also included.

The full version of the City of Norwood Payneham & St Peters 2015-2016 Annual Report can be viewed online at [www.npsp.sa.gov.au](http://www.npsp.sa.gov.au)

# Year in Review

## Performance Highlights

### Outcome 1: Social Equity

A connected, accessible and pedestrian-friendly community

#### Our Achievements

- Completed Civil Infrastructure Works Program to the value of \$3.59 million
- Completed the City-Wide Schools Traffic, Safety & Parking Review
- Endorsed the final design for the Beulah Road Bicycle Boulevard
- Completed the expansion of the St Peters Child Care Centre & Preschool
- Allocated \$14,195 funding to seven community groups through the Council's Community Funding Program
- Achieved a high quality service rating in the Federal Government Home Support Program Quality Review
- Facilitated 11 community consultation and engagement opportunities relating to a range of major projects and initiatives
- Hosted the Every General Festival month-long program of events
- Completed a total of review of the Council's Swimming Centres
- Facilitated 559 Lifelong Learning opportunities which catered to 17,740 participants

#### Our Challenges

- Transitioning Community Care Services to the new Federal Government 'My Aged Care' and regional assessment services

#### Future Projects

- Implement Stage 1 of the City-Wide Schools Traffic, Safety & Parking Review
- River Torrens Linear Park Path Upgrade
- Beulah Road Bicycle Boulevard implementation
- Develop a Concept Plan for Syd Jones Reserve

Community Funding Program allocated  
**\$14,195**  
of funding to seven  
Community groups

**\$3.59m**  
Civil Infrastructure Works Program

**559** Lifelong Learning Opportunities  
catering to **17,740** participants

## Outcome 2: Cultural Vitality

A visually interesting,  
artistic and creative City

### Our Achievements

- Introduced a new Live Music Policy to foster and strengthen the City's live music and performance sector
- Granted development approval for 392 new dwellings, 82 land divisions and 75 swimming pools, to the value of \$225 million
- Facilitated the biennial 'Excellence in Urban Design Awards' Program
- Completed installation of safety barriers at eight outdoor dining venues across the City
- Endorsed (and sought Ministerial approval for) the draft Development Plan Amendment for Educational Establishments to establish a consistent policy framework for all school sites
- Hosted the Stage 4 Start of the 2016 Santos Tour Down Under
- Engaged with young people through Canvas Youth Arts Program and YouthFM radio
- Celebrated the Centenary of the Norwood Concert Hall
- Council's Urban Planning & Environment's Heritage Advisory Service responded to 356 requests for advice from the community
- Held five Cultural Heritage exhibitions and two Public Art initiatives

### Our Challenges

- Implementation of the State Government planning system reforms
- Addressing implications arising from the O-Bahn City Access Project
- Implementing the requirements of the *Planning, Development & Infrastructure Act 2016* and the *Local Nuisance and Litter Control Act 2016*

### Future Projects

- New Norwood Oval Clubrooms and Members Facilities
- Payneham Oval Clubrooms upgrade
- Kent Town Urban Design Framework
- Major (Quadrennial) Public Artwork
- Canvas Youth Arts & Events Program

*Heritage Advisory Service  
responded to*

**356**  
requests for heritage advice

## Performance Highlights

### Outcome 3: Economic Prosperity

A dynamic and thriving centre  
for business and services

#### Our Achievements

- Expanded the 'Food Secrets of Glynde' initiative to include a new publication, bus tours and way-finding signage
- Commenced the development of a Masterplan to guide the future redevelopment of The Parade, Norwood and completed Stage 1 Consultation with the community and local school students
- Hosted the 2015 Parades on Norwood Parade event
- Hosted the inaugural Norwood on Tour Street Party, Bupa Challenge and Stage 4 Start as part of the 2016 Santos Tour Down Under
- Participated in the 2016 Tasting Australia Program by hosting an associated event, 'Taste Glynde'
- Collaboration with the Norwood Parade Precinct Committee to develop marketing activities to promote The Parade Precinct
- Implemented a 12 week bus advertising campaign to entice people to shop, taste and play on The Parade, Norwood

#### Our Challenges

- Continued engagement of the Council's four business precincts

#### Future Projects

- Completion of The Parade Masterplan
- Implementation of the new 'Food Secrets of Stepney' initiative
- Rebranding the Magill Road Precinct
- Host the 2016 Parades on Norwood Parade event
- Implementation of a new Wine & Ale Trail to drive business to inner-city cellar doors
- Host an associated event as part of the 2017 Tasting Australia Program

Five major events

held in Council business precincts,  
attracted in excess of

60,000 people

The City provides

27,530  
local jobs

## Outcome 4: Environmental Sustainability

A leader in environmental sustainability

### Our Achievements

- Endorsed the final Masterplan for the redevelopment of Felixstow Reserve
- Finalised the 'Resilient East' Climate Change Adaptation Plan for Adelaide's eastern region
- Collected 508 tonnes of hard waste and 41 tonnes of electronic waste through the Council's annual Hard Waste Collection Service
- Diverted 4,632 tonnes of green organic waste from landfill
- Collected 1,856 tonnes of leaf litter through the Autumn Leaf Collection Service
- Reduced corporate greenhouse gas emissions by 2,479 (t CO<sub>2</sub>)
- Planted 388 new street trees

### Our Challenges

- Addressing levels of waste contamination in kerbside bins
- Competing pressures to increase tree canopy coverage whilst encouraging new developments within a compact urban form

### Future Projects

- Implementation of the Felixstow Reserve Masterplan
- Host the inaugural 'Sustainable Garden Awards'
- Participate in the national Garage Sale Trail Program
- Waste audits

Collected  
**508 tonnes**  
of hard waste  
through Hard Waste  
Collection Service

Planted  
**388**  
new street trees

Corporate greenhouse  
gas emissions  
reduced by  
**2,479** (t CO<sub>2</sub>)

# Year in Review

## Financial Summary

Average Residential Rate Increase from 2014-2015  
= \$25/year based on a median valuation of \$558,171

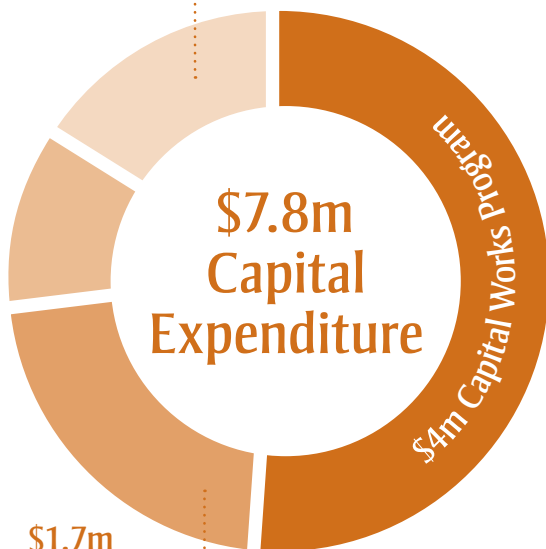

*Financial Goal: A City which delivers on our strategic outcomes by managing our financial resources in a sustainable and equitable manner.*

**\$569m** Net Assets

*Eg; Buildings, footpaths, kerbs and channels, naturestrips and trees.*

**\$0.864m**

*Service & environmental initiatives*

**\$1.7m**

*Recreation & Open Space Projects*

**\$3.1m**

**Operating Surplus**

*19.6% decrease from 2014-2015*

# Year in Review

## Financial Summary

Achieving and maintaining financial sustainability is a key long-term objective for the City of Norwood Payneham & St Peters. In 2015-2016, the Council continued to work towards this objective, achieving a better than expected Operating Surplus of \$3.1 million.

### Operating Result

In 2015-2016, the Council reported an Operating Surplus of \$3.1 million compared to a budgeted Operating Surplus of \$2.4 million.

The underlying Operating Surplus of \$3.69 million is adjusted to account for advance payments of Financial Assistance Grants and Roads-to-Recovery Grant funding.

As detailed in Graph 1, 2015-2016 is the fourth consecutive year that the Council has reported an underlying Operating Surplus in excess of \$1 million.

Graph 1.

## Income & Expenditure

### Income

Income from all sources to fund the Council's services and programs in 2015-2016 was \$40.9 million.

Council rates are the main source of funds for the Council, representing 79.1% of total income for 2015-2016 (compared with 77.5% in 2014-2015). In 2015-2016, the Council collected \$32.4 million in Rate Revenue.

The revenue collected by the Council is used to deliver a range of services, programs and facilities to the community. Some of the services provided are required to be delivered under the Local Government Act 1999, while others services and programs are delivered to meet a community need.

The remainder of the Council's income was generated through the following sources:

**Grants, subsidies and contributions** – \$2,514,685

**User charges** – \$3,277,445

**Statutory charges** – \$1,697,413

**Other income** – \$895,087

**Investment income** – \$116,616

### Expenditure

In 2015-2016, the Council's total expenditure of \$35.7 million was used to deliver its continuing services, with a further \$0.8 million to provide special events and programs or for the introduction of new services and programs.

The Council's operational expenditure was as follows:

**Materials, contracts and other expenses** – \$16,660,751

**Employee costs** – \$12,367,743

**Depreciation, amortisation and impairment** – \$7,823,168

**Finance costs** – \$858,934

## 2017 Community Survey

The Council will be conducting its biennial Community Survey in early 2017 and recently engaged Square Holes to conduct the Survey of residents and business operators across the Council area.

The Community Survey is undertaken every two years to address the level of satisfaction from local residents and businesses, with the Council and the services it provides.

The Community Survey is an important initiative designed to help the Council improve its performance and measure its progress towards fulfilling the targets contained in the City's long-term strategic management plan, *CityPlan 2030: Shaping Our Future*. Survey questions will cover the areas of Council services, infrastructure, the environment, community services, economic development activities and quality of life.

400 residents and 200 business operators within the City of Norwood Payneham & St Peters will be randomly selected to participate in phone and face to face interviews.

The information provided will be used to help the Council improve its performance and measure its progress. If selected your participation in this Community Survey would be greatly appreciated.

For further information, please contact Olivia Franco, Strategic Projects Coordinator, on 8366 4524 or email [ofranco@npsp.sa.gov.au](mailto:ofranco@npsp.sa.gov.au)

*CityPlan 2030 – Update 2016 is an opportunity for all citizens and stakeholders to have their say on how the Council is progressing towards the preferred future for our City.*

*Mayor Robert Bria and local students during the CityPlan 2030 Schools workshop.*

## *CityPlan 2030 – Update 2016*

The City of Norwood Payneham & St Peters is currently undertaking a review of its long-term Strategic Management Plan, *CityPlan 2030: Shaping Our Future*.

The 2016 Update of *CityPlan 2030* will ensure that the Council is on track with the Objectives of the Plan and provide opportunity to consider the community's aspirations for the future of our City, in line with new areas of focus.

*CityPlan 2030: Shaping Our Future* was first prepared in 2007, following an extensive community visioning exercise. The Vision, Outcomes and Objectives for the Council over the next 20 years were developed based on community aspirations and priorities. The final Plan was endorsed by the Council in July 2008.

*CityPlan 2030 – Update 2016* is an opportunity for all citizens and stakeholders within the City of Norwood Payneham & St Peters to have their say on how the Council is progressing towards the preferred future for our City.

The consultation on *CityPlan 2030 – Update 2016*, undertaken in November, incorporated a range of community engagement processes, including invitation-only Community Workshops for residents, business owners and operators and community group representatives.

Children and young people are an important part of our community and were also invited to share their thoughts about the future of our City. The Council engaged students from Primary and Secondary Schools within the Council area to participate in workshops which focused on reviewing the priorities set out within *CityPlan 2030*.

Feedback from the initial workshops is currently being summarised and will be considered in the preparation of the revised draft *CityPlan 2030* document that will be provided for broader consultation and feedback in early 2017.

The Council is working towards completing its review of *CityPlan 2030* by April 2017.

For further information, please visit [www.npsp.sa.gov.au](http://www.npsp.sa.gov.au) or contact the Council's Strategic Projects Coordinator, Olivia Franco, on 8366 4524 or email [ofranco@npsp.sa.gov.au](mailto:ofranco@npsp.sa.gov.au)

*The Parade Masterplan will provide a strategic design framework for the future redevelopment and activation of this important mainstreet.*

*The Parade, Norwood*

## *The Parade Masterplan*

In January 2016, the Council commenced the development of a Masterplan for The Parade, Norwood, to provide a strategic design framework for the future redevelopment and activation of this important mainstreet.

The Parade is a leading mainstreet destination with broad economic, social and cultural importance. In order to maintain The Parade's vibrancy and popularity as a destination for shopping as well as social and cultural experiences, it has been recognised that the public realm needs to be upgraded.

This, together with the introduction of a new planning policy framework that encourages higher residential densities and mixed use development in and around the Norwood area, has highlighted the need to refresh and revitalise The Parade and review the qualities that create its unique 'sense of place'.

As the first step in the process, in January 2016, the Council undertook various engagement opportunities with the community and key stakeholders to identify their vision for the future of The Parade. This feedback has been collated and used to develop a number of draft concepts, which will be released to the community for consultation early in the new year.

The delay in the progress of The Parade Masterplan is a result of the State Government's decision earlier this year to commission a \$4 million study into the electrification

of public transport in Adelaide, which includes investigations into the proposed AdeLINK tram network.

Whilst the inclusion of the Tram is recognised by the State Government as a catalyst for development and growth a decision regarding where, when and how it may be implemented is yet to be determined.

Once the preliminary results of the State Government's investigations are available, the Council will continue to progress The Parade Masterplan, including the second round of consultation with the community.

For further information about The Parade Masterplan, please contact the Acting Manager, Economic Development & Strategic Projects, Keke Michalos on 8366 4509 or email [kmichalos@npsp.sa.gov.au](mailto:kmichalos@npsp.sa.gov.au)

## Payneham Oval Clubrooms Upgrade

The Council will commence work on developing concepts for the upgrade of the Payneham Oval Clubrooms, in early 2017.

The upgrade, which forms Stage 2 of the redevelopment of Payneham Oval, will include the installation of an access lift, upgraded toilets to make them accessible, new air conditioning, improved lighting and installation of solar panels to the clubrooms, as well as landscaping works.

The upgrade to the Payneham Oval Clubrooms will be jointly funded by the Council and the Commonwealth Government through its Community Development Grants program, which

is used to fund local community and sports infrastructure projects across Australia. The \$500,000 grant funding received will match the Council's allocation in its 2016-2017 Budget, to deliver an upgrade to Payneham Oval of approximately \$1 million.

For further information, please contact the Acting Manager, Economic Development & Strategic Projects, Keke Michalos on 8366 4509 or email [kmichalos@npsp.sa.gov.au](mailto:kmichalos@npsp.sa.gov.au)

## Redevelopment of Felixstow Reserve

Work has recently commenced on development of the wetland at Felixstow Reserve, which forms part of the 'Waterproofing Eastern Adelaide Project', with the construction of this component anticipated to finish by early April 2017.

'Waterproofing Eastern Adelaide' is an important initiative being delivered by ERA Water, a subsidiary established by the Town of Walkerville, City of Norwood Payneham & St Peters and the City of Burnside. All three Councils have been directly involved

in the planning and delivery of this Project, which will provide environmental benefits to the community for many years to come.

Once completed, the 'Waterproofing Eastern Adelaide' Project is expected to reduce spending on the irrigation of parks, reserves and schools within the Eastern Region of Adelaide as well enhance the quality of water that is discharged to the gulf.

Once the construction of the wetland is completed, the Council will commence work on redeveloping the remainder of Felixstow Reserve in line with the recommendations outlined in the Felixstow Reserve Masterplan.

For further information about the Felixstow Reserve Masterplan, please contact Acting Manager, Economic Development & Strategic Projects, Keke Michalos on 8366 4509 or email [kmichalos@npsp.sa.gov.au](mailto:kmichalos@npsp.sa.gov.au)

### Felixstow Reserve Redevelopment – Stage 1

- Stage 1 will encompass the construction of the wetland, bio filters and pump station
- Construction of the wetland will start on the western end and progressively move to the eastern end of the Reserve
- The site will be fenced off to maximise safety and reduce noise levels
- Some local traffic management arrangements will be in place throughout the duration of the works

*Carlos Buzzetti and Councillor Carlo Dottore accepting the Hard Won Victory Award.*

## *Beulah Road Bicycle Boulevard Wins Planning Excellence Award*

The Beulah Road Bicycle Boulevard project has received the Hard Won Victory accolade and a commendation from the Minister for Planning, in the 2016 Planning Institute of Australia (PIA) SA Awards for Planning Excellence.

These prestigious annual awards recognise leading practice, leadership and achievement in planning and the planning profession. The Hard Won Victory category award is conferred to a planning initiative, effort or leadership that has resulted in positive planning outcomes in the face of difficult circumstances.

City of Norwood Payneham & St Peters Mayor, Robert Bria, said the Council was proud to be acknowledged in the prestigious annual PIA Awards for its efforts in planning a major infrastructure project for broad community benefit.

“The Council has invested significant funding and resources to the Beulah Road Bicycle Boulevard project, which aims to deliver improved safety and accessibility for cyclists and pedestrians and greater connectivity between the Adelaide CBD and the eastern suburbs,” said Mayor Bria.

“The Bicycle Boulevard is a key deliverable of the Council’s City-Wide Cycling Plan and promotes the Council’s commitment to maintaining well-designed, sustainable urban environments and an integrated, sustainable and active transport network,” he said.

In conferring the Hard Won Victory Award to the Beulah Road Bicycle Boulevard, the PIA Award judging panel acknowledged the Council’s significant achievement in balancing the provision of infrastructure to calm traffic, improve safety and accessibility for cyclists and pedestrians, whilst ensuring continued access for motorists.

“Through careful investigation of design options and constraints and collaboration with DPTI, local residents, business owners and other key stakeholders, the Council will ensure that responsive, innovative and technically grounded outcomes, that meet community needs, can be achieved,” Mayor Bria said.

Implementation of the Beulah Road Bicycle Boulevard is underway, with construction works expected to commence in the first half of 2017.

For more information about the Beulah Road Bicycle Boulevard project, please visit [www.npsp.sa.gov.au](http://www.npsp.sa.gov.au). For further information about the PIA Awards, visit [www.planning.org.au](http://www.planning.org.au)

# MAGILL Rebrand

Renowned for its mix of eclectic businesses and services, Magill Road is one of Adelaide's most unique destination shopping precincts.

The Council recently undertook an extensive rebranding project for Magill Road, to create a revived brand identity to effectively market Magill Road to consumers, businesses and the community, as one of Adelaide's premier lifestyle mainstreets.

The new brand and website for Magill Road was launched on 14 December 2016, at an event held at The Maid & Magpie. Attended by people from the Magill Road business community, Elected Members and media, the launch of the new brand and website represented an important milestone in the life of this diverse mainstreet precinct.

The new brand will enable Magill Road to maintain its positioning as a leading lifestyle destination offering a mix of unique and eclectic businesses, products and services. The website will allow consumers to readily locate businesses along Magill Road, offering an interactive map, business information and links to Magill Road's social media pages.

Following the launch, a number of initiatives will be implemented in 2017 including new street signage, advertising and the facilitation of networking forums for Magill Road businesses and property owners.

For more information on the Magill Road Precinct, please contact the Council's Economic Development Unit on 8366 4616 or email [tpetros@npsp.sa.gov.au](mailto:tpetros@npsp.sa.gov.au)

Visit the new website at  
[www.magillroad.com.au](http://www.magillroad.com.au) and  
 follow Magill Road on social media:

# PARADES ON NORWOOD PARADE

**Presented by  
Norwood Place**

Held on Sunday 23 October 2016 on The Parade, Norwood, the annual Parades on Norwood Parade event was a highlight on the 2016 Adelaide Fashion Festival Program.

As the former owner of the Adelaide Fashion Festival, the City of Norwood Payneham & St Peters is proud to continue its participation in the Festival by hosting a unique event to promote The Parade, Norwood as Adelaide's leading fashion and retail precinct.

The 2016 Parades on Norwood Parade event was presented by Norwood Place, with support from major sponsors, Parade Central and

Toop & Toop. Offering something for everyone, the event was attended by a crowd of 5200 people who visited the Norwood Fashion & Design Market, enjoyed fashion parades on an impressive 60 metre outdoor catwalk, live music and entertainment.

For more information about Parades on Norwood Parade, please contact the Council's Economic Development Unit on 8366 4512.

# FOOD SECRETS OF GLYNDE & STEPNEY

Following the enormous success of the 'Food Secrets of Glynde', the Council is expanding this initiative to include the Stepney area. Stepney is home to a variety of unique food businesses ranging from a microbrewery to a confectionary company.

In 2017, the Council will be supporting these local suburban food manufacturers through producing the 'Food Secrets of Stepney' publication and including Stepney businesses in the popular 'Food Secrets' Bus Tours. Participating businesses include the above businesses, Heidelberg Cakes, Cristarella Cakes, Quinzi's Confectionary, Rio Coffee and Little Bang Brewing Co.

For further information about the Food Secrets of Glynde and Stepney initiative or participating businesses, contact the Council's Economic Development Unit on 8366 4616.

## FOOD SECRETS OF GLYNDE & STEPNEY BUS TOURS

**Discover the hidden tastes and flavours and hear the stories of these unique, world-class food manufacturing areas!**

The Council will be hosting guided bus tours of Glynde & Stepney in 2017. Each tour will include factory visits, product samples and tastings, lunch at a local Glynde business, gift bag and copies of the Council's 'Food Secrets of Glynde & Stepney' publications.

For Bus Tour dates, details and bookings, visit [www.npsp.sa.gov.au/bustours](http://www.npsp.sa.gov.au/bustours)

## Coming in 2017: Eastside Wine & Ale Trail

South Australia is a world-renowned destination for its wineries and breweries, typically in the areas of the Adelaide Hills, Barossa and McLaren Vale.

Did you know there are three cellar doors and a microbrewery located right on our doorstep? Amadio Wines, Signature Wines, Tidswell Wines and Little Bang Brewing Co are four boutique, inner-city cellar doors located in the Council area, all within close proximity of each other.

In 2017, the Council will embark on a new initiative to promote these local businesses, through launching the unique 'Eastside Wine & Ale Trail'. The Trail will entice visitors to seek out these nearby cellar doors for wine tasting and enjoyment, right here in our own backyard.

For more information about the exciting new Eastside Wine & Ale Trail initiative, please contact the Council's Economic Development Unit on 8366 4616.

*Commercial Winner*

# 2016 SUSTAINABLE GARDEN AWARDS

The City of Norwood Payneham & St Peters inaugural Sustainable Garden Awards were held in September and October 2016, to recognise and celebrate the importance of gardening and landscaping in our city's urban environment.

The Awards were open to all residents, businesses, schools and community groups in the Council area, to showcase a variety of gardens which make a positive contribution to the environment and the well-being of the community, through sustainability principles, design and innovation. Nominations were judged on a range of criteria, including design, innovation and creativity, biodiversity and habitat, self-sufficiency and nature play.

In its first year, the Awards program received a total of 17 eligible nominations, with awards conferred in the categories of Residential, Commercial and Community garden and landscaped areas. A fourth category, the Mayor's Nature Play Award, was presented by Mayor Bria for a garden or landscaped area which encourages children's interactions with nature.

The Awards were judged by a panel of industry experts comprising Mr John Sandham, President, Botanic Gardens Australia New Zealand Association; Mr David Lawry OAM, Director, Avenues of Honour, Waite Arboretum; and Ms Tina Verey, Manager, The Diggers Club Adelaide.

## Residential Winner

***21 Shirley Street, Felixstow***

From a bare allotment 20 years ago, the garden now has over 60 fruit and nut trees and provides owners, Chris and John, with approximately one third of their food requirements. All green waste is reused on site to make compost and the garden is designed to harvest and reuse virtually all of the water that falls on the block, using a combination of rainwater tanks and specifically designed trenches. As well as a thriving worm farm, the garden also includes bee hives and bee hotels and trees to provide shading to the dwelling in summer.

*Community Winner*

*Mayor's Nature Play Award*

## Congratulations to the winners of the 2016 Sustainable Garden Awards!

### Commercial Winner

**Argo on The Parade,  
212 The Parade, Norwood**

Owner Daniel Milky and garden designer Tim Keenihan redesigned what was once a very basic and drab cafe frontage to feature several planter beds and a large vertical garden comprising various ornamental and drought tolerant species. As well as dramatically improving the aesthetics of the streetscape on The Parade, the vertical garden assists to passively cool the outdoor dining area and to reduce the urban heat island effect and smog.

### Community Winner

**Linde Community Garden,  
Stepney Street, Stepney**

The Linde Community Garden provides a place for the community to engage with each other and to grow and share organic produce. Materials in the garden are sourced from recycled objects, including old apple crates for wicking beds and recycled pallets for compost bays. A range of organic fruits, nuts, herbs and vegetables are grown, and companion planting is used to control pests and encourage bees. The on-site worm farm provides liquid fertilizer to promote soil health and the compost bins provide an opportunity to recycle green waste into nutrient rich compost. Stormwater is captured in rainwater tanks, and is reused to water the gardens. A solar powered moisture meter is used to ensure water is not wasted and mulch is applied during the warmer months to minimize evaporation.

### Mayor's Nature Play Award

**Trinity Gardens School,  
160 Portrush Road, Trinity Gardens**

In the School's nature play garden, children are supported to enjoy the simple delights of climbing trees, making cubby houses, making mud pies and eating fruit and nuts straight from the trees. There is a range of exercise equipment and a shady, sealed running and cycling track nestled amongst the trees. There is also a frog pond, a fragrance-based sensory garden and the occasional koala visitor, as well as a dedicated digging area called the quarry where the garden designer secretly buried lots of interesting bones, rocks and stones for children to uncover, collect and play with.

# Community Funding Program

**The Council's Community Funding Program provides opportunities for local, not-for-profit community groups and organisations to receive funding to support their activities and to develop new initiatives, which will benefit the wider local community.**

The next round of funding is currently open, until Friday 20 January 2017.

Applicants are able to apply for funding through two grants schemes:

- **Community Grants Scheme** – Artistic & Cultural Programs & Events, Artistic Developments and Visual Public Art
- **Public Art & Culture Grants Scheme** – Community Development, Environment, Events and Sport & Recreation.

Examples of projects or initiatives which may be supported by the Council, include:

- Activities which protect and enhance the local environment or promote sustainable living.
- Purchase of new equipment to increase the ability of a group to deliver a service, activity or program to the community.
- Events that encourage cultural diversity or active participation in community life.
- Innovative sport, recreation and physical activity programs.
- Arts and cultural projects which have publicly accessible outcomes, including performances, concerts or workshops.

Further information and application documents are available online at [www.npsp.sa.gov.au](http://www.npsp.sa.gov.au). Applications for the current round of funding must be completed in full and submitted to the Council by no later than Friday 20 January 2017.

Application packs may also be collected in hard copy from the Council's Customer Service Centre at the Norwood Town Hall, 175 The Parade, Norwood.

For more information, please contact the Council's General Manager, Governance & Community Affairs, Lisa Mara on 8366 4549 or email [lmara@npsp.sa.gov.au](mailto:lmara@npsp.sa.gov.au)

## Give the Gift of Reading

**For the fourth time, the Council's Libraries participated in the 'Give the Gift of Reading' program to help bring joy to the lives of children in need in time for Christmas.**

The Council partnered with Backpacks 4 SA Kids, a local charity which provides backpacks filled with useful items to children placed in emergency foster care, kinship and domestic violence shelters.

During December, the community was encouraged to participate by donating new books or colouring packs to the Libraries, which will be distributed to children as part of the Backpacks 4 SA Kids program.

Thank you to the community for contributing to this hugely worthwhile cause.

# Cool off this summer!

The iconic Norwood and Payneham Swimming Centres are conveniently located in Adelaide's eastern suburbs and offer family-friendly, safe environments for all ages to enjoy.

The Swimming Centres are maintained to a very high standard with crystal clear water heated to 27°C. Free BBQ facilities and a kiosk are available at both locations, along with shaded areas and picturesque surrounds, make the Swimming Centres the ideal place to enjoy a day out with family and friends and cool off on those hot summer days.

## Swimming Centres Review

The Council is undertaking a review of the Swimming Centres to develop a long-term strategy to ensure the Centres continue to provide valued, relevant and quality community facilities.

The Council is currently finalising the draft Swimming Centres Strategy, which will be released for public consultation in early 2017.

For further information, please contact the Acting General Manager, Corporate Services, Sharon Perkins on 8366 4585 or email [sperkins@npsp.sa.gov.au](mailto:sperkins@npsp.sa.gov.au)

## Volunteer Profile

Volunteers are a big part of our City's community life and make a valuable contribution by giving their time and skills for the benefit of others.

### *'Spreading a smile through our community'*

**James Hugo** | Justice of the Peace Volunteer

**At 77 years young, long-standing Council Volunteer, James Hugo, prides himself on maintaining a sense of humour in life.**

He shares this positive attitude and infectious personality with the community through his volunteer role as a Justice of the Peace (JP), which he has undertaken since founding the JP Program with the Council in 2004.

*"There is great value in the provision of a Justice of the Peace service at the City Norwood Payneham & St Peters. I love my role and will keep going here for as long as my health will allow," says James.*

The Council's Justice of the Peace Program is available to community members at the Norwood Town Hall every week day, between 9.30am and 3.00pm.

## *Thank You to our Volunteers!*

Awards for Volunteer Years of Service were conferred at the annual Volunteers Christmas Dinner on 30 November. Congratulations to the following recipients of Years of Service Awards in 2016:

### *20 Years of Service:*

- Adrienne Earl**  
– Norwood Christmas Pageant
- Deborah Ryan**  
– Community Visitors Scheme

### *15 Years of Service:*

- Lyn Gameau**  
– Library
- Janette Schulz**  
– Community Visitors Scheme
- Pauline Evers**  
– Community Visitors Scheme

### *10 Years of Service:*

- Brian Essery**  
– Cultural Heritage
- George Karatassas**  
– Community Bus
- John Lamb**  
– Graffiti Removal

# CANVAS YOUTH ARTS & EVENTS

Established in 2005, the Council's Canvas Youth Arts & Events Program provides opportunities for young people aged 12 to 25 years, to learn and develop creative skills in art, event management, music, short film and photography.

The next round of Canvas Creative Workshops will be held in January 2017, in the areas of printmaking, street art and digital music composition.

## CREATIVE WORKSHOPS

### Introduction to Printmaking

Tuesday 17 or 24 January 2017,  
10.00am

The printmaking workshops will be facilitated by Simone Tippet at the Union St Studios in Kent Town. Simone will be running two half-day Introduction to Printmaking (Screen Printing) workshops which will teach skills in stencil making and printing. Participants will create and print their own design on their own t-shirt.

Suitable for ages 15-25 years.  
Cost: \$5.00 per person.

### Street Art with Ryan Zenith

Thursday 19 January 2017,  
10.00am

For those interested in street art or aerosol painting, Ryan Zenith will facilitate a Street Art Workshop at Dunstone Grove-Linde Reserve, Stepney. Ryan is an experienced aerosol artist who specialises in portraits, letterform and murals.

Suitable for ages 15-25 years.  
Cost: \$10.00 per person.

### Composing with Digital Music

Friday 27 January 2017,  
9.00am or 1.00pm

For young people interested in music and technology, EMU Music will deliver two half-day digital composition workshops with Garageband at the St Peters Library.

The introduction to Garageband and Advanced Garage Band Workshops will allow participants to explore digital composition, editing, mixing and file transfers utilising the software Garageband.

Suitable for ages 12-25 years.  
Cost: \$5.00 per person, per session.

Bookings for the January 2017 Canvas Creative Workshops can be made online at [www.npsp.sa.gov.au/canvas](http://www.npsp.sa.gov.au/canvas)

For further information about the Canvas Youth Arts & Events program or the upcoming Creative Workshops, please contact the Council's Manager, Community Services on 8366 4600 or email [rbusolin@npsp.sa.gov.au](mailto:rbusolin@npsp.sa.gov.au)
