PURPOSE OF REPORT

The purpose of the report is to advise the Council of the invitation by Events SA, to host the Start of Stage Three of the 2025 Tour Down Under and the Challenge Tour.

BACKGROUND

The Tour Down Under, a nationally and internationally recognised cycling event, is held in South Australia during January and comprises a series of races with a start and finish being held in different parts of the State. The start and finish components of each stage of the Tour are changed on a regular basis and the right to host a start or a finish, is strongly contested by Councils.

The City of Norwood Payneham & St Peters has previously hosted twelve (12) start events, with the most recent event held in January 2024. The Council has also hosted the Challenge Tour as part of the event on seven (7) occasions.

In January 2024, the Council was approached by Events SA with an invitation to lodge an Expression of Interest in respect to hosting one of the stages as part of the 2025 Tour Down Under.

A copy of the Expression of Interest Letter and Information Pack which has been received from Events SA is contained within **Attachment A**.

Expressions of Interest are required to be submitted by Friday, 1 March 2024.

RELEVANT STRATEGIC DIRECTIONS & POLICIES

The relevant Outcomes contained in *CityPlan 2030* are:

Outcome 2: Cultural Vitality

Objective 2.5: Dynamic community life in public spaces and precincts.

Strategy 2.5.3: Host and facilitate community events and activities.

The Tour Down Under is promoted as an inclusive, family event, therefore meeting the Council's aims of encouraging "an engaged and participating community" and attracting "more community life in public spaces".

FINANCIAL AND BUDGET IMPLICATIONS

The fee to host a stage of the Tour and the Challenge Tour Start of the Tour Down Under is expected to be in the order of \$20,000. In addition, there are other costs with hosting a Stage (ie additional toilets, waste bins, marketing and the road closure) which are funded by the Council.

In this respect, the Council allocated \$55,000 in the 2023-2024 Budget to host the 2024 Tour Down Under and it is estimated that a similar amount will be required to host a stage of the 2025 Tour Down Under and Challenge Tour.

EXTERNAL ECONOMIC IMPLICATIONS

In terms of economic impact, Events SA have advised that the 2023 Santos Tour Down Under generated \$79.8m for South Australia.

SOCIAL ISSUES

The staging of an international event such as the Tour Down Under, enables the Council to showcase the City, both locally, nationally and internationally. The Social Audience (social media audience), recorded by Events SA for the 2023 TDU, was averaged at 223,000 and a Live Audience (watching the broadcast via TV or web stream) of 779,000.

DISCUSSION

The Tour Down Under is now recognised as a major event and attracts large numbers of spectators and as such, hosting a start is very much sought after by Councils.

Events SA has advised that market research commissioned by Events SA in respect to the 2023 Tour Down Under, has highlighted total attendances over 690,000 with an average of 89% of the visitors coming from interstate.

The market research for the 2024 event has not been released by Events SA at the time of writing this report.

OPTIONS

The Council can resolve to accept the invitation from Events SA to host a Start of the Tour Down Under in January 2025 and submit an Expression of Interest, or alternatively it can resolve not to lodge an Expression of Interest.

Given the Council's previous participation in the Tour Down Under and the positive impacts which it has on both the local economy and the community, it is recommended that the Council accepts the opportunity which has been presented and lodges an Expression of Interest.

CONCLUSION

Over the years, the Tour Down Under has gained in popularity, however the results of the 2024 Event are yet to be released. Notwithstanding this, it is expected that based on media reports, the event has again been successful.
