

UPGRADING GEORGE ST.

UPCOMING NIGHT WORKS GEORGE, HARRIS and WEBBE STREET 23,24,25 and 26 MARCH 2026

File Number: qA10041
Enquiries To: Project Team - George Street Upgrade
Direct Telephone: 83664555

19 March 2026

Dear Resident/Business Owner,

This letter is to advise you that the Council is now in the final stages of the George Street Upgrade and will be undertaking asphalt resurfacing works at night on George, Harris and Webbe Streets, Norwood, including works in front of your property.

Once completed, George Street will to be open to 2-way traffic in time for the Easter Holiday period.

Dates Monday 23 March to Thursday 26 March 2026 (weather permitting)

Time: 6:00pm to 6:00am

Location: George Street, from The Parade to Webbe Street

The asphalt resurfacing work on George Street will involve occupying the full street and will commence each evening at 6:00pm and re-open to traffic at 6:00am on each night. During this time, traffic will be detoured around the area.

In addition, some minor works will also be undertaken at night in Harris Street, between George Street and Austral Place, on 23,24 and 25 March to complete the final stage of stormwater works. This section of road will also be closed to traffic from 6:00pm to 6am with traffic restrictions in place.

We understand these works can be noisy and, as such, contractors will endeavour to undertake these works as early as possible to minimise noise impacts.

Localised traffic management will be in place. There will be partial closures of Harris, Webbe and George Streets with detours in place during the works. Please refer to the attached plans for further detail.
