City of
Norwood
Payneham
& St Peters

“Thank you to the students from St Ignatius Junior School and St Joseph’s Memorial School who made the poppies which were displayed at the Anzac Tribute event and on Osmond Terrace for the Centenary of Anzac Day.”

Mayor's Message

Welcome to the July 2015 edition of Look East.

There is no question that one of South Australia's greatest assets is its cultural diversity.

The 2011 Census showed that within the City of Norwood Payneham & St Peters, nearly three in every ten residents (29 per cent) were born overseas. These residents greatly enrich our community with their culture, traditions and customs.

Since 2009, the South Australian National Football League (SANFL) has held a Multicultural Round to recognise and celebrate the cultural diversity of participants in the game of Australian Football.

To celebrate this year's Multicultural Round and with the support of the Norwood Football Club and the SANFL, the Council conducted a Citizenship Ceremony on the oval at Coopers Stadium, which took place on 8 May 2015, before the Norwood versus Adelaide match in front of a crowd of 3,000 people.

This year also saw various events undertaken to commemorate the Centenary of Anzac. The Council hosted its Anzac Tribute event at the St Peters Street Civic Plaza, featuring a performance by the Royal Australian Navy Band. St Peters Street provided the perfect backdrop for the event with the Council's new public artwork commissioned to commemorate the 100th anniversary, *Fallow*, and the Avenue of Honour located in St Peters Street.

The Norwood, Payneham and St Morris RSLs also hosted Anzac Day Services to mark the occasion.

Mayor Robert Bria congratulating a new citizen at the Citizenship Ceremony held at Coopers Stadium.

I would like to thank the students from St Ignatius Junior School, Norwood, who made poppies for the Anzac Tribute event and the students from St Joseph's Memorial School, Norwood who made poppies which were displayed on Osmond Terrace for the Anzac Day service.

As Mayor, I am very fortunate to be involved in a range of community activities such as these and I value the contribution which many people and children make to our City.

As a Council, we are very aware that many households are experiencing financial pressures and as such the Council has made every effort to ensure that this year's rate increase will not significantly add to that pressure.

This year, the average rate for residential property owners is \$1,392, an increase of \$20 (1.4 per cent), whilst commercial property owners will experience a 3.06 per cent rate increase.

Achieving an average residential rate increase below the annual inflation

rate of 2.3 per cent is a pleasing result, which comes after several years of fiscal discipline exercised by successive Council's to reduce the organisation's costs associated with day-to-day operations and only fund projects which our community can afford.

The small rate increase means the City of Norwood Payneham & St Peters will continue to have one of the lowest (average) residential rates among the seven Eastern Region Alliance (ERA) Councils.

Our community has consistently ranked good infrastructure as a high priority and the Council has responded accordingly with a \$5 million Capital Works Program.

In addition to the Capital Works Program, a number of other projects have also been funded. Further information regarding these projects and other important information about the Council's 2015-2016 Budget is featured within this edition of Look East.

Robert Bria
Mayor

New Innovative Playground at Payneham Oval

Opening Event

**Sunday 23 August 2015,
11.00am – 2.00pm**

Free entertainment, children's activities, food and drinks.

For more information, visit www.npsp.sa.gov.au

The new action-themed all abilities Playground at Payneham Oval is set to open in August 2015. The new Playground will provide a regional-level play space for the benefit and enjoyment of the community.

Work on the development of the new Playground commenced in April 2015, when LCS Landscapes were engaged by the Council to construct this exciting \$840,000 Project.

Once completed, the Playground will feature new innovative play equipment including water play elements, a rope bridge, climbing net and slide, a cloud swing and triple swing set, interspersed amongst an array of natural play elements.

The redevelopment also includes additional barbecues, shelters, bins, a drinking fountain, picnic benches, new toilet facilities, upgraded fitness equipment, a new hard surface basketball/netball ring and extensive landscaping.

This integrated approach was taken to ensure that the play space and associated facilities at Payneham Oval, reflect the regional-level status of this open space facility and complement the activities which are already presented at the Oval.

The 'action' theme for the Playground was selected in recognition of the action-based activities which are already undertaken there, including tennis, cricket and football.

Payneham Oval Playground is the third of five Innovative Playgrounds planned for key sites within the City and are based on particular themes with the aim of providing a unique and higher standard of play equipment for community use and enjoyment.

Innovative Playgrounds have been developed at James Coke Park, Norwood and Dunstone Grove-Linde Reserve in Stepney. Adey Reserve, Firlé and Dunstan Adventure Playground, St Peters, will also be redeveloped in the future as a part of this initiative.

The Payneham Oval Playground Project will deliver a community facility which provides diversity and innovation in play opportunities for younger children and a play space that supports the needs of children of all abilities, whilst also ensuring that a wide range of uses are integrated and accessible for all members of the community to enjoy.

For further information regarding the construction of the Payneham Oval Playground, please contact the Council's Project Manager – Civil, Matthew Kildea on 8366 4516 or email mkildea@npsp.sa.gov.au

New Community Funding Program

Local community groups and not-for-profit organisations will have the opportunity to seek valuable funding assistance for their activities and initiatives, through the new Community Funding Program being offered by the Council in 2015-2016.

The QBL model for Community Wellbeing.

The City of Norwood Payneham & St Peters Community Funding Program, provides opportunities for local, not-for-profit community groups, organisations and clubs, to apply for Council funding in support of innovative projects or activities which are aimed at enhancing the local community.

Initiatives which will be supported by the Council through the Community Funding Program, will be required to align with the Council's Strategic Plan, *CityPlan 2030: Shaping Our Future* and the 'Quadruple Bottom Line' approach to Community Well-being, in contributing to social, cultural, economic, environmental or community development within the City.

As part of its 2015-2016 Budget, the Council has allocated \$60,000 towards the Community Funding Program, with a maximum of \$5,000 per financial year available for each application.

Under the Community Funding Program Model, applicants will be able to access funding through two Schemes; the Community Grants Scheme and the Public Art & Culture Grants Scheme.

Within each Scheme, there are a number of categories under which eligible applicants can apply for funding. The four categories under the Community Grants Scheme include Community Development; Environment; Events; and Sport & Recreation.

The three categories under the Public Art & Culture Grants Scheme are Artistic and Cultural Programs and Events; Artistic Developments; and Visual Public Art.

Examples of projects or initiatives which may be supported include:

- Activities which protect and enhance the local environment or promote sustainable living.
- Purchase of new equipment to increase the ability of a group to deliver a service, activity or program.
- Activities that are focused on the participation and inclusion of local citizens in community life.
- Events that encourage cultural diversity.
- Innovative community sport, recreation and physical activity programs.
- Arts and cultural projects that have publicly accessible outcomes, including performances, concerts or workshops.

- Proposals for temporary public art.
- Collaborative art projects between artists and the community.

Applications for funding are being sought from non-Government organisations, community groups and sporting and recreation clubs within the City of Norwood Payneham & St Peters. In some instances, individuals and schools may also be eligible to apply.

The first of two funding rounds to be offered in 2015-2016, will open in August 2015.

For more information on the new Community Funding Program, please contact the Council's General Manager, Governance & Community Affairs, Lisa Mara on 8366 4549 or email lmara@npsp.sa.gov.au

Citizenship Ceremony Held Under Lights

Mayor Bria, Elected Members and our new citizens following the ceremony at Coopers Stadium.

Thirty people from 14 different countries braved the winter weather to recite their Australian Citizenship vows on the Norwood Oval before the Redlegs home game at Coopers Stadium, on 8 May 2015.

Organised by the Council, with the support of the Norwood Football Club and the SANFL, the Citizenship Ceremony coincided with the SANFL's Multicultural Round.

Nationalities represented at the event included Cambodia, Colombia, Hong Kong, Hungary, India, Jordan, Malaysia, New Zealand, the Philippines, Poland, South Africa, Sri Lanka, Thailand and the United Kingdom.

Mayor Robert Bria, who approached the Norwood Football Club with the concept several months ago, was inspired by the

Citizenship Ceremony held at Adelaide Oval last year before the Port Adelaide versus Melbourne match during the AFL's Multicultural Round.

"We have seen in recent years the extent to which this great game of Australian Rules Football has touched so many communities," Mayor Bria said.

"It is a game that brings people of all cultures and backgrounds together, so it makes perfect sense to use Multicultural Round to promote positive messages about the connection between cultural diversity and the sport."

"I was pleased that the Norwood Football Club supported the Council in this initiative, which I think reflects our shared values of celebrating and respecting our multicultural community."

Norwood Football Club CEO, Geoff Baynes, said the Club was very pleased to support the Ceremony.

"The Norwood Football Club has a long history of welcoming people of all

backgrounds into our Club and we were excited when the Council asked us to support the Citizenship Ceremony," Mr Baynes said.

"We hope that the participants in the ceremony and their families, made a real connection with our great game and the Club, and that the experience becomes a lasting association with Norwood."

"The SANFL was delighted the first Citizenship Ceremony before a League match was a key feature of the competition's Multicultural Round," said SANFL CEO, Jake Parkinson.

"The City of Norwood Payneham & St Peters must be commended for embracing the opportunity to conduct the Ceremony whilst also continuing to support the Norwood Football Club."

The Council holds Citizenship Ceremonies four to five times a year. Details of upcoming ceremonies are available at www.npsp.sa.gov.au

New Residential Zoning introduced across the City

The recent approval of the Residential Development (Zones & Policy Areas) Development Plan Amendment by the Minister for Planning, introduces new planning policies for residential neighbourhoods throughout the City of Norwood Payneham & St Peters.

Outside of the already established and unchanged Residential Historic (Conservation) Zones, three new Residential Zones – the Residential Zone, Residential Character Zone and the Residential Character (Norwood) Zone – replace seven existing Residential Zones.

These new zones are now contained in the City of Norwood Payneham & St Peters Development Plan, which is the document by which all Development Applications are assessed.

The purpose of the new zones and policies is to differentiate how the character of the City's residential areas will evolve over time, with some areas likely to experience more change than others. Building height, building design, building set-backs, allotment pattern and size, driveway design and placement, and landscaping are some of the main elements that contribute to the 'character' of an area.

Each of the new zones sets out detailed policies for new residential development, which is based on consideration of these elements.

The new Residential Zone comprises a number of residential areas within the suburbs of Glynde, Felixstow, Firle, Marden, Payneham, Payneham South and other small pockets, mostly along arterial road frontages.

An example of a well designed and articulated two storey development.

The Residential Zone will provide the most development opportunity and is likely to experience the greatest level of change in character, particularly within the Medium Density Policy Area, including small areas of Marden, Felixstow, Glynde, Firle, Payneham and a number of individual large sites.

The new Residential Character Zone comprises a number of residential areas that are outside the existing Residential Historic (Conservation) Zone, but retain a high level of character derived from houses generally built prior to 1940. It includes areas within the suburbs of St Peters, Joslin, Royston Park, Evandale, Maylands, Trinity Gardens, St Morris, Marryatville and Heathpool. In the Residential Character Zone, the existing character will be protected and change little over time.

The new guidelines allow limited infill development opportunities and requires new development to be of a scale and design that complements the 'pre-1940s' character.

The new Residential Character (Norwood) Zone comprises the residential areas of Norwood that are outside the Residential Historic (Conservation) Zone. The character of Norwood varies and includes relatively intact 'pockets' of pre-1940s housing, interspersed with a broad range of housing styles from more contemporary eras.

In this zone, a range of infill development opportunities is provided outside of the identified pre-1940s character pockets, where additional guidelines place limitations on land division, building height and design.

If you are planning to undertake any new development, or would like further information on the new residential zones and policies, please contact the Council's Urban Planning & Environment Department on 8366 4508, or visit www.npsp.sa.gov.au

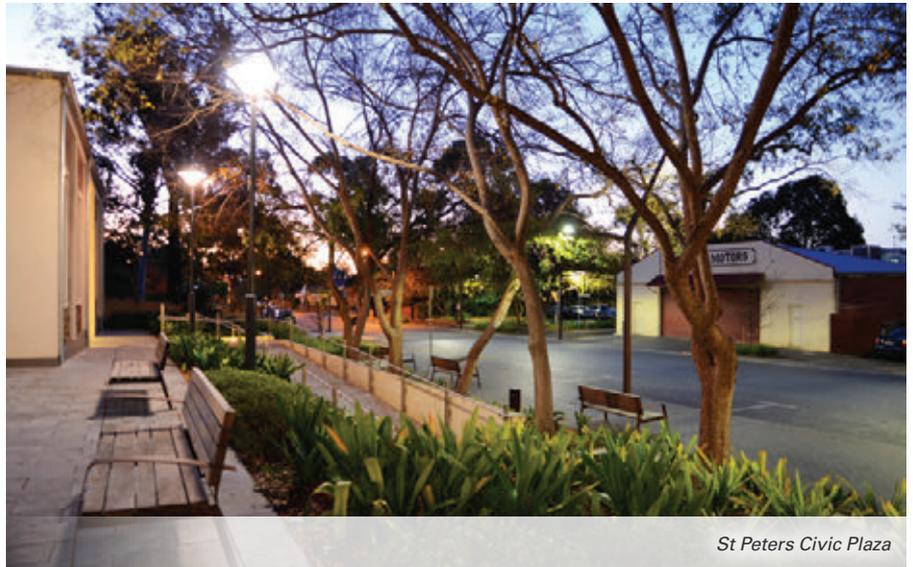

Major Projects

The Council has developed a Quadruple Bottom Line (QBL) model for Community Well-being, which requires every Council project, program and service to focus on at least one of four key Outcomes:

- Social Equity
- Cultural Vitality
- Economic Prosperity
- Environmental Sustainability

This QBL model forms the foundation of the Council's long-term strategic plan, *CityPlan 2030: Shaping Our Future*.

During 2014-2015, the Council undertook a wide range of initiatives and projects that continue its work towards achieving the objectives outlined in *CityPlan 2030*. The key achievements and projects of the past year are outlined over the following pages.

St Peters Civic Plaza

Completion of the St Peters Civic Plaza, including Major Public Artwork and Avenue of Honour ●●●●

The opening of the St Peters Civic Plaza and Avenue of Honour in September 2014, completes the Council's Vision for establishing a community hub in St Peters.

Through innovative design, this Project has created a new and vibrant high quality Civic Plaza, which can be temporarily closed to through traffic to allow for the staging of community events and a cyclist and pedestrian-friendly environment with connections to Dunstone Grove-Linde Reserve, Stepney and the River Torrens Linear Park.

The Project included the installation of a new Major Public Artwork, *Fallow*, which commemorates the Centenary of Anzac. This artwork, together with the heritage listed War Memorial located at the intersection of St Peters Street and First Avenue, form the 'bookends' to the Avenue of Honour, which represents a contemporary and historic commemoration to all Australian Service Men and Women, from the City who were killed in action.

The Project also incorporates Water Sensitive Urban Design initiatives including stormwater management, retention and reuse, as well as the use of Australian stone pavers to accentuate the new community space.

Completion of the St Peters Civic Plaza and Avenue of Honour Project, has been the catalyst for the rejuvenation of the Precinct, delivering a new community focal point that celebrates the significant heritage and character of the area.

Progressing the 'City-Wide Cycling Plan' ●●●●

Throughout 2014-2015, the Council continued to take a lead role in supporting citizens to cycle and improving safety and provisions for cyclists, through implementing a number of the key initiatives outlined in the City-Wide Cycling Plan.

Norwood-Magill Bikeway Project

A collaborative project between the Council, the Department of Planning, Transport & Infrastructure (DPTI) and the Motor Accident Commission, upgrades to the popular cycling route along Beulah Road were made as part of the \$1.2 million Norwood-Magill Bikeway Project. These include:

- Significant cyclist safety improvements installed at the intersection of Fullarton Road and Beulah Road.
- Pedestrian/cyclist activated traffic lights installed at the intersection of Portrush Road and Beulah Road, Norwood.

- Modifications to roundabouts on Beulah Road, ensuring that vehicles enter the roundabouts at slower speeds, creating a safer environment for cyclists and pedestrians.

Beulah Road Bicycle Boulevard

Design options are being developed for the creation of a Bicycle Boulevard along Beulah Road, as a strategic east-west cycling route.

The design options will take into consideration the underlying principles that Beulah Road must remain functional for both cyclists and motorists and should avoid or minimise the removal of existing on-street car parking along Beulah Road.

Community consultation on the Beulah Road Bicycle Boulevard design options will be undertaken later in 2015.

Way2Go Project

The Council assisted DPTI to implement the 'Way2Go Project' at Trinity Gardens Primary School, which involved the installation of new bicycle racks at the school, allowing parents who cycle to school with their children to lock up their bikes when accompanying children into school.

'Love to Ride Adelaide' Event

In conjunction with the Adelaide City Council, the Council participated in the month-long 'Love to Ride Adelaide' in February 2015, a fun and interactive event held annually to encourage more people to consider cycling to work. This year saw participation from a total of 1,870 people, including 429 new cyclists.

Cycling Information Sessions

In February 2015, in conjunction with Bicycle SA and the Motor Accident Commission, the Council facilitated two successful free community information sessions regarding cyclist safety.

Based on the positive feedback received, the Council will offer subsequent sessions later in 2015.

Additionally, a range of informative cycling materials are available to assist and inform people who are looking to begin cycling, from the Norwood Town Hall and the Council Libraries.

For further information about the City-Wide Cycling Plan, please contact the Council's Manager, Urban Planning & Sustainability, Eleanor Walters on 8366 4521 or email ewalters@npsp.sa.gov.au

Major Projects

2015 Santos Tour Down Under

Events ●●●●

During 2014-2015 the City of Norwood Payneham & St Peters continued to build on its reputation for hosting vibrant events.

2014 Twilight Carols & Christmas Market

The official opening of the 2014 Adelaide Fashion Festival at Government House.

In October 2014, the Council successfully staged the Adelaide Fashion Festival for the final time. The Festival has grown significantly since it was founded by the Council in 2008 and has been successful in providing many young South Australian designers with valuable exposure and employment opportunities.

Recognising the potential to take the Festival further, the State Government approached the Council with a proposal to take over ownership of the Festival and in February 2015, the Council transferred ownership and management of the Adelaide Fashion Festival to Events South Australia.

The Council will continue to host the popular Parades on Norwood Parade event, as an affiliated event during future Adelaide Fashion Festivals.

In December 2014, the Council hosted a new Twilight Carols & Christmas Market event in Dunstone Grove-Linde Reserve, Stepney. A crowd of several thousand enjoyed browsing the 70 market stalls and a performance of carols led by the Payneham City Concert Band and High Spirits Harmony, as well as a performance by The Voice Australia's Rachael Leahcar.

Other key events held throughout the year included the St Peters Fair, Australia Day Citizenship Ceremony, the Stage 3 Start for the 2015 Santos Tour Down Under and a new Anzac Tribute Event.

Food Secrets of Glynde ●●●●

Launched in August 2014, the Food Secrets of Glynde publication was developed to promote the cluster of food and wine producers located in the backstreets of the Glynde light industrial Precinct.

Featuring recipes, contact information and stories from participating businesses, many of them family owned, the Food Secrets of Glynde publication has been a great success and exposed the Precinct's producers to new markets.

Since launching the publication, the Council has continued to develop this project and in April 2015, held an event in collaboration with JamFactory to further promote the Food Secrets of Glynde initiative.

Full story on page 26.

Copies of the publication are available from participating businesses, or from the City of Norwood Payneham & St Peters on 8366 4555 or email townhall@npsp.sa.gov.au

2014-2015 Projects & Services Snapshot

Outcome 1: Social Equity

A connected, accessible and pedestrian-friendly community

- Developed an integrated Cycling Plan for the City.
- Completed the annual maintenance and renewal program for Civil, Drainage and Building infrastructure works which included the resealing of 12 roads with a total square area of 46,085sqm, 25 footpaths covering 10,149sqm, and the replacement of 2,503 lineal metres of kerbing across 15 roads.
- Progressed the development of a Masterplan for the redevelopment of Felixstow Reserve.
- Equipped high profile Council locations with Automated External Defibrillators.
- Continued development of the Council's website.

Outcome 2: Cultural Vitality

A culturally rich and diverse city, with a strong identity, history, and sense of place

- Hosted the 2015 Santos Tour Down Under Stage 3 Start.
- Installed the Quadrennial Major Public Artwork, commemorating the Centenary of Anzac, at the St Peters Civic Plaza.
- Conducted the Canvas Youth Arts & Events Program.

Outcome 3: Economic Prosperity

A dynamic and thriving centre for business and services

- Continued to develop the City's four business precincts.

Outcome 4: Environmental Sustainability

A leader in environmental sustainability

- Collected 502 tonnes of Hard Waste and 40 tonnes of Electronic Waste.
- Diverted 4,670 tonnes of Green Waste from landfill.
- Provided free biodegradable bin liners to encourage kitchen organic waste to be redirected from general waste.

2015-2016 Budget Overview

The Council's 2015-2016 Budget is a future-focused and financially responsible budget, which is targeted at ensuring the Council's continuing and emerging priorities are appropriately resourced and funded.

The focus in developing the 2015-2016 Budget has been on ensuring that the Council can maintain the standards for its existing services, while at the same time ensuring new initiatives that have been identified to support the delivery of the strategic objectives outlined in the Council's Long-Term Strategic Management Plan, *CityPlan 2030: Shaping Our Future*, receive appropriate funding.

The Council also recognises that the Budget and funding requirements need to be balanced with ensuring that the community does not face significant increases in rates.

The key driver for the 2015-2016 Budget was to develop a budget that not only contributes to the Council's broader strategic objectives, but also ensures that the Council's long-term financial objective of managing financial resources in a sustainable and equitable manner, are achieved.

2015-2016 Budget

Underpinning the Council's financial objectives is a series of financial Outcomes, which form the foundation for the 2015-2016 Budget. These Outcomes are:

Outcome 1: A Balanced Budget

A balanced budget means that Council's services and programs, including depreciation of infrastructure and assets, are fully funded and the costs are shared equitably between current and future ratepayers.

Outcome 2: Rate Stability

Rate Stability means that annual rate collections are fair and equitable for our residents and ratepayers with the aim of keeping rate revenue increases stable over the medium term.

Outcome 3: Infrastructure and Asset Management

The Council's Infrastructure and Assets are maintained in line with the Council's Whole-of-Life Infrastructure Framework to achieve the outcomes and objectives, as set out in *CityPlan 2030*.

Outcome 4: Debt Management

The Council will take a prudent approach to the use of debt when investing in new long-term assets to ensure inter-generational equity between current and future users.

The table below demonstrates how the 2015-2016 Budget meets the financial targets included in the Council's Long-Term Financial Plan and will contribute to the Council's long-term financial stability.

Table 1.

| Outcome | Indicator | Long-Term Financial Plan Target | Achieved in the 2014-2015 Budget |
|--|-------------------------------|---------------------------------|----------------------------------|
| 1. A Balanced Budget | Operating Surplus | > \$0 | ✓ |
| | Operating Ratio | 0-10% | ✓ |
| 2. Rate Stability | Annual Rate revenue increases | < 5.5% | ✓ |
| 3. Infrastructure and Asset Management | Asset Sustainability Ratio | Between 90%-110% | ✓ |
| 4. Debt Management | Interest Cover Ratio | Between 0%-4% | ✓ |
| | Net Financial Liabilities | < 75% | ✓ |

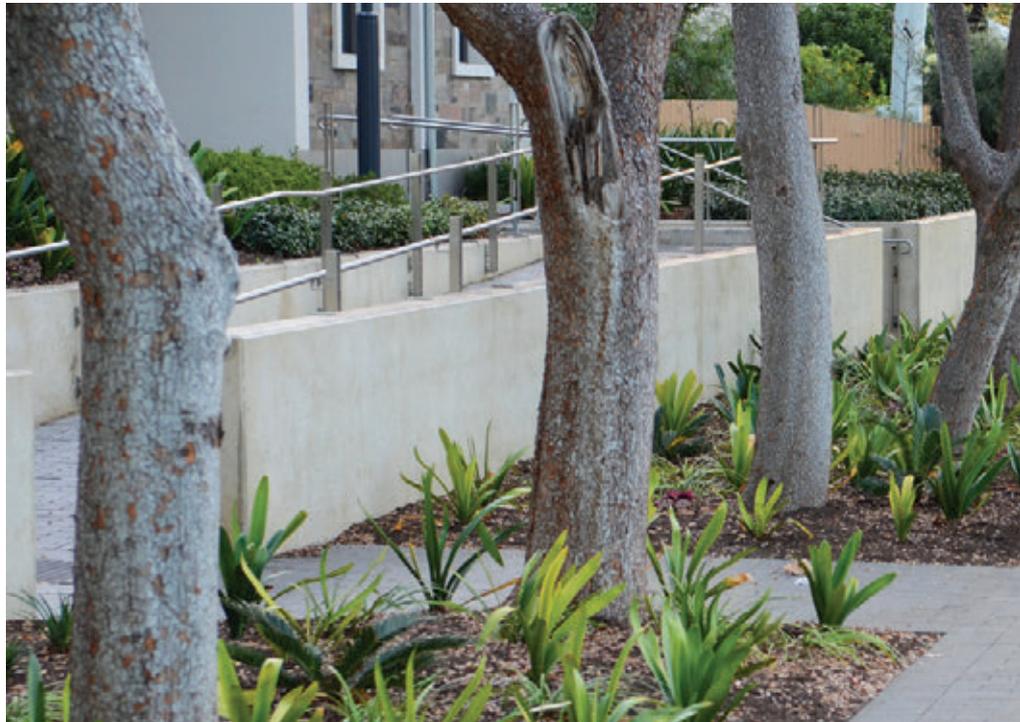

Long-Term Financial Plan

The 2015-2016 Annual Business Plan and Budget outlines the Council's proposed projects, services and programs for the coming 12 months and explains how the Council intends to finance its continuing services and projects to be undertaken during the year.

Developed in consultation with the community during the consultation period held from 6 May to 27 May 2015, the Annual Business Plan and Budget supports the Council's long-term strategic directions which are outlined in *CityPlan 2030: Shaping Our Future*, as well as the Council's 2012-2022 Long-Term Financial Plan.

The Council's 2012-2022 Long-Term Financial Plan, which forms the basis for the 2015-2016 Budget, has been developed on the principle of Financial Sustainability. This is demonstrated by the adherence, over the term of the Plan, to the overarching principles which ensure that the Council:

- Achieves long-term income and expenditure neutrality while keeping rates growth within the average for the sector;
- Achieves long-term cash flow neutrality while keeping rates growth within the average for the sector; and
- Asset renewal requirements are fully funded in the Council's long-term Capital Works Program.

Not only does the Council's Long-Term Financial Plan focus on future funding requirements to maintain the service standards for the Council's existing services it also sets out new initiatives and capital investment to support the delivery of the Council's strategic objectives to meet the needs and aspirations of the Community.

The 2012-2022 Long-Term Financial Plan incorporates the following long-term capital investment:

- Commitment to the Waterproofing Eastern Adelaide Eastern Region Alliance Stormwater Harvesting and Re-use Project.
- In partnership with the Norwood Football Club, contribute to the redevelopment of the Clubrooms and Members facilities at the Norwood Oval.
- Investigate the re-location of the Norwood Library to the Norwood Town Hall.

- Infrastructure works at both the Payneham and Norwood Swimming Centres.
- Streetscape improvements along St Peters Street, St Peters, from Second Lane to Linear Park.
- Streetscape improvements along Magill Road, including the possible undergrounding of power lines.
- Reserve upgrades to District Standards, to achieve the *CityPlan 2030* objective of six District Standard Reserves by 2020.

The Council regularly reviews these investments to ensure that they will continue to contribute to the Council's long-term strategic directions which are outlined in *CityPlan 2030* and remain relevant for the City's current and future citizens.

2015-2016 Project Priorities

As part of the planning process, the Council considers the strategic directions which are set out in *CityPlan 2030*.

While current service delivery contributes to the achievement of the strategic directions contained within *CityPlan 2030*, it is often through the provision of new services and building of new assets that the strategic objectives are met.

In addition to the day-to-day services, programs and activities provided by the Council, the following new Projects are proposed for delivery in 2015-2016:

- Development of a Masterplan for The Parade.
- Undertake a review of *CityPlan 2030* and conduct the Council's Biennial Community Survey.
- Completion of the Payneham Oval Playground Redevelopment.
- Commence work on the Council's third Innovative Playground at Adey Reserve.
- Progress the redevelopment of Felixstow Reserve including the establishment of a wetland within the reserve as part of the ERA Stormwater Harvesting Project.
- Continue implementation of the Council's City-Wide Cycling Plan.
- St Peters Child Care Centre & Preschool building extension and playground redevelopment.
- Consult with the community regarding the proposed City-Wide 40kmh speed limit.
- Host 'Parades on Norwood Parade' as part of the 2015 Adelaide Fashion Festival.
- Provide ongoing support for the City's Business Precincts.
- Provide ongoing support for Community Arts Programs.
- Civil Works Infrastructure Program (Roads & Footpaths).
- Drainage Works Program.
- Recreation & Open Space Infrastructure Works Program.
- Building of new Clubrooms and Members Facilities at Norwood Oval.

At A Glance

The 2015-2016 Budget has been based on a rate revenue increase of 2.5%, which translates to an Average Residential Rate increase of 1.4% and an Average Commercial Rate increase of 3.06%.

Key aspects of the 2015-2016 Budget:

| | |
|--|------------------|
| Operating Surplus | \$2.419 million |
| | |
| Expenditure on continuing services, programs and facilities | \$36.058 million |
| | |
| Expenditure on new initiatives and strategic operating projects | \$0.955 million |
| | |
| Total Capital Works Program | \$10.749 million |
| | |
| Non- Rate Operating Revenue | \$8.175 million |
| | |
| Net General Rate Revenue (excluding NRM Levy) | \$30.970 million |
| | |
| NRM Levy * | \$1.048 million |
| | |

**The Council is acting as a revenue collector for the Adelaide and Mount Lofty Ranges Natural Resources Board in this regard and does not retain this revenue.*

Income & Expenditure

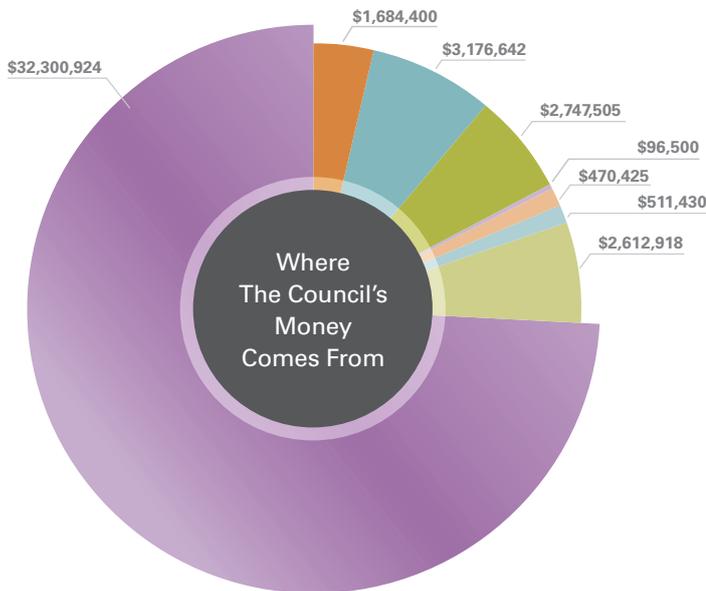

Where the Council's Money Comes From

Rates are the main source of funding for the programs, services and facilities which are provided by the Council.

A total of \$31 million will be collected in rates this year, to fund essential services such as waste collection, management of basic infrastructure, public health and safety, as well as major capital projects and the provision of community programs and events.

The Council supplements rates revenue with funding from other sources, such as fees and charges, and government grants, investment incomes and borrowings.

The graph below illustrates the source of the Council's income.

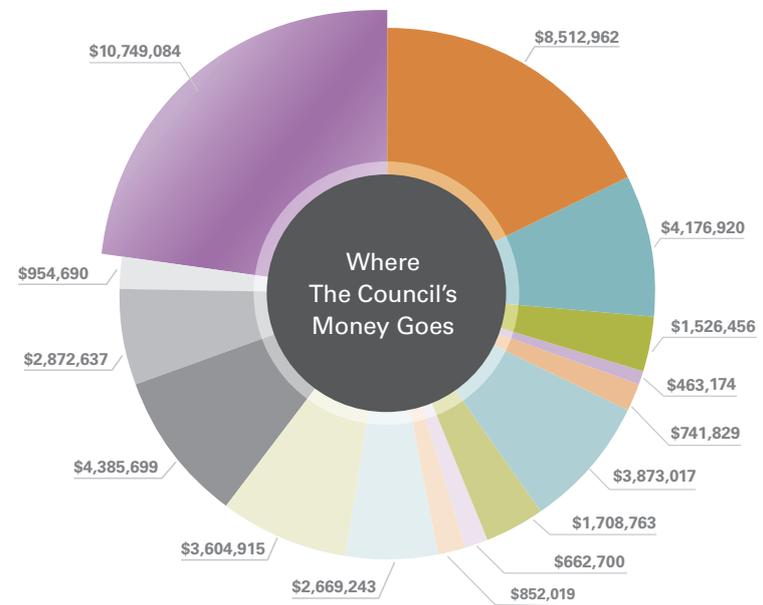

| | |
|-----------------------------------|---|
| Rates | ● |
| Statutory Charges | ● |
| User Charges | ● |
| Grants, Subsidies & Contributions | ● |
| Investment Income | ● |
| Other income | ● |
| Capital Income | ● |
| Borrowings | ● |

Where the Council's Money is Spent

A significant portion of the Council's expenditure is directed towards providing the 'business as usual' services that keep the City running smoothly. This includes services such as the maintenance of roads, parks, supporting local businesses by growing employment and economic development and planning for existing or new services.

The graph below provides an overview of the Council's expenditure.

Rating Policy

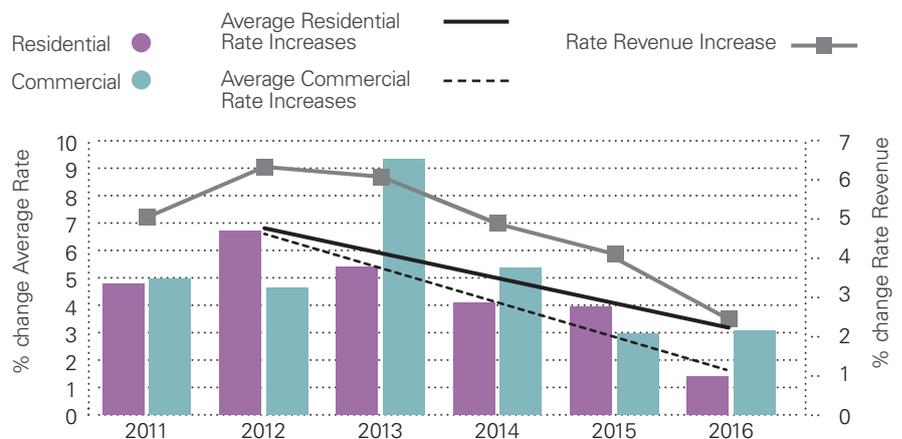

The Council's Long-Term Financial Plan is based on a series of financial outcomes, one of which is Rate Stability, with the overall objective of ensuring that 'annual rate collections are fair and equitable for residents and ratepayers with the aim to keep rate revenue increases stable over the medium term'.

The Long-Term Financial Plan has set a target of Rate Revenue increases to be less than or equal to 5.5% each year. Whilst the Council recognises that there is a preference for Rate Revenue increases to be much less than 5.5%, it must also consider the long-term goal of delivering Strategic Outcomes, by managing financial resources in a sustainable and equitable manner.

As detailed in Figure 1, despite the peak in the rate revenue increase in 2011-2012, over the last five year period, the annual rate revenue increases have been trending downwards. A similar trend has also occurred with the movement in the Average Residential Rate.

Over the same period, despite the increase in 2012-2013, which was due to the fall in property values within the residential sector, the movement in the Average Commercial rate has remained stable.

Figure 1.

Rates for 2015-2016

The 2015-2016 Budget takes into account the anticipated costs to undertake the activities which the Council intends to carry out in 2015-2016 and identifies the income sources required to fund these activities.

In setting rates for 2015-2016, the Council has considered its Strategic Management Plan, *CityPlan 2030*, the current economic climate, legislative change and the need to maintain and improve the Council's physical infrastructure.

The fundamental principle of equity within the community and an assessment of the impact of rates were also considered.

Capital Value is used as the basis for valuing land within the Council area, as it is considered that this method provides the fairest distribution of the rate revenue which is required across all ratepayers within our City.

To fund the activities contained within the 2015-2016 Annual Business Plan and to ensure that the Council continues to provide the level of services required and expected by the community, the Council estimates that it will require an additional \$0.759 million in rate income.

Based on this, the average residential rate will increase by \$20 to \$1,392 and the average commercial/industrial will increase by \$75 to \$2,534. The minimum rate will increase by \$22 to \$919.

Rate Concessions

For the last 40 years the State Government has funded Councils to provide a rebate on Council rates to eligible Pensioners and Concession Card holders. Last year these amounted to rebates of up to \$190 or \$100 respectively and were automatically deducted from the amount of Council rates due.

This year, the State Government has announced that they will no longer be funding Councils to provide this rebate. This means that Pensioners and Concession card holders will no longer receive a rebate on Council rates. Instead the State Government will introduce a 'Cost Of Living Concession (CLC)' payment which will be paid to you directly.

For further information please contact the Department for Communities and Social Inclusion Concessions Hotline directly on 1800 307 758 or visit www.sa.gov.au

Feature Projects 2015-2016

● Social Equity ● Cultural Vitality ● Economic Prosperity ● Environmental Sustainability

1 - Adey Reserve Masterplan (\$1,000,000) ●

Develop and implement a Masterplan for the redevelopment of Adey Reserve, Firlie, including concept for a new Playground.

2 - Felixstow Reserve Redevelopment (\$1,600,000) ●●●

Undertake the redevelopment of Felixstow Reserve, to complement the establishment of a wetland within the Reserve, as part of the Eastern Region Alliance (ERA) Stormwater Harvesting & Re-Use Project.

3 - 2015 Santos Tour Down Under (\$105,000) ●●●

Host the Stage 4 Start of the 2016 Santos Tour Down Under on The Parade, Norwood.

4 - St Peters Child Care Centre & Preschool Building Extension (\$300,000) ●

Extend the existing St Peters Child Care Centre & Preschool building to accommodate an additional ten child care spaces. The extension will enable the Council to increase the Centre's capacity from 80 to 90 spaces per day (up to an additional 50 child care places per week).

5 - St Peters Child Care Centre & Preschool Playground Redevelopment (\$144,000) ●●●

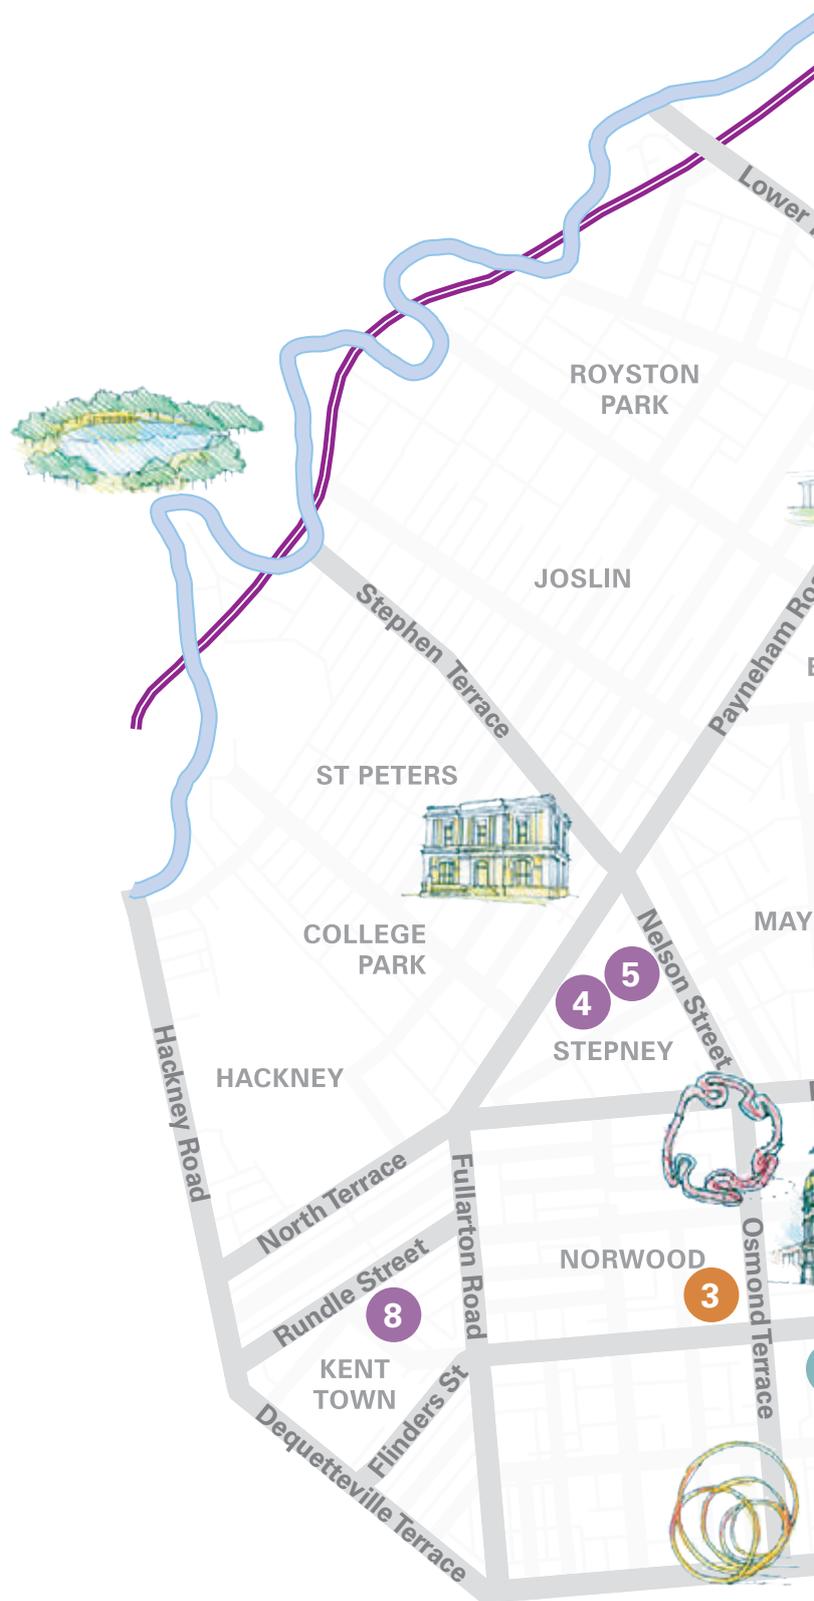

Fit-for-purpose redevelopment of the existing playground located at the St Peters Child Care Centre & Preschool.

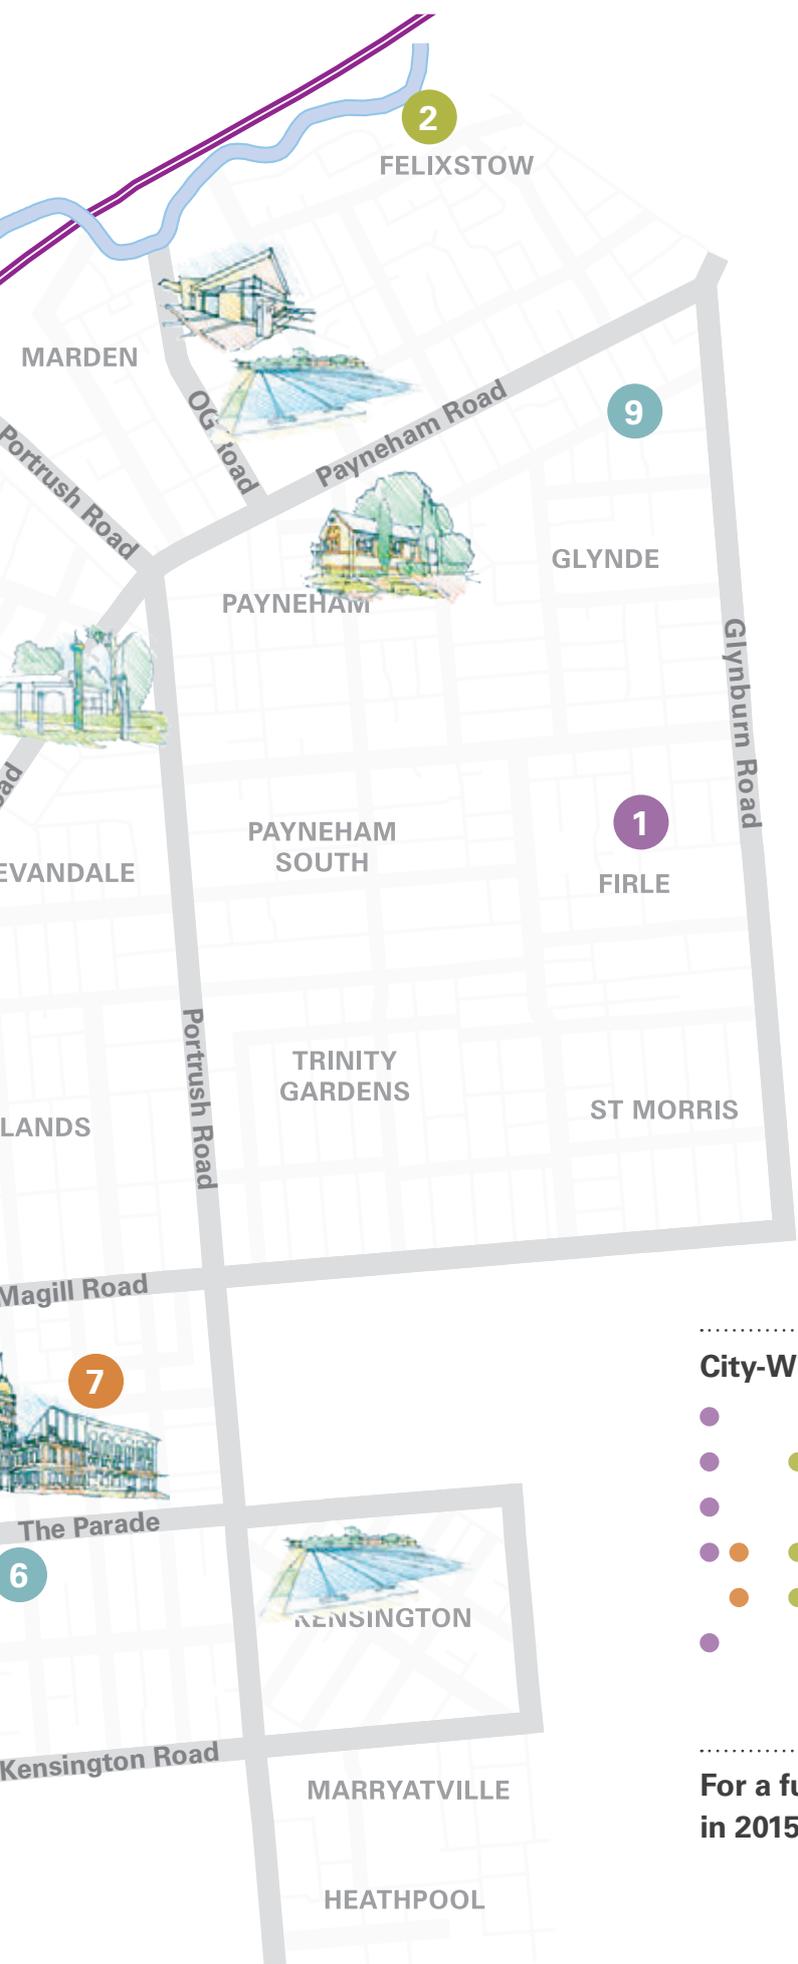

6 - Adelaide Fashion Festival (\$50,000) ●●●●

Host the Parades on Norwood Parade event, showcasing The Parade, Norwood as Adelaide's leading fashion retail precinct, as part of the 2015 Adelaide Fashion Festival.

7 - Centenary Celebrations of the Norwood Concert Hall (\$10,000) ●●●●

Host a series of events to celebrate the 100 year anniversary of the iconic Norwood Concert Hall.

8 - Street Lighting Upgrade (\$50,000) ●

Installation of street lighting along the public section of Little Rundle Street, between College Road and Fullarton Road.

9 - Food Secrets of Glynde (\$50,000) ●●

Marketing and event initiatives to continue promotion of the 'Food Secrets of Glynde'.

School Safety and Parking Review (\$120,000) ●

Undertake a review of safety and parking adjacent all schools within the Council area, to identify any safety and parking issues and develop options to address these issues.

City-Wide Cycling Plan Implementation (\$50,610) ●●

Implement infrastructure improvements and travel behaviour change programs identified in the City-wide Cycling Plan.

Grant Funding of \$20,000 from the Motor Accident Commission will offset the Council's contribution to the development of design documentation for Bicycle Boulevard improvements along Beulah Road.

Every Generation Festival (\$7,000) ●●

Host a month-long series of activities and events as part of the annual COTA SA Every Generation Festival, which aims to encourage healthy and active ageing and promote community well-being.

City-Wide Projects & Services

- Civil Infrastructure Capital Works Program (\$3,240,399)
- Drainage Infrastructure Capital Works Program (\$1,753,907)
- Buildings Infrastructure Capital Works Program (\$308,000)
- Recreation & Open Space Capital Works Program (\$639,900)
- Youth Art Workshops (\$8,000)
- Biennial Community Survey (\$25,000)

For a full list of Projects and Services to be undertaken in 2015-2016 please visit www.npsp.sa.gov.au

Investing in Our City’s Infrastructure

The City of Norwood Payneham & St Peters places great emphasis on the high quality and standard of infrastructure, including everything from roads, footpaths and kerbs, to buildings, recreation and open space assets.

The Council’s ‘Whole-of-Life’ approach to the management of its infrastructure and assets, is based upon a planned replacement of assets at or near the end of their useful life.

A major focus of the 2015-2016 Budget, is a \$5.3 million Infrastructure Program aimed at ensuring that the appropriate funding has been committed to the replacement of infrastructure, in accordance with the ‘Whole-of-Life’ approach.

The Infrastructure Program includes significant funding for the upgrading of the Council’s Civil, Drainage and Building Infrastructure:

- Civil Infrastructure Capital Works Program \$3,240,399
- Drainage Infrastructure Capital Works Program \$1,753,907
- Buildings Infrastructure Capital Works Program \$308,000

2015-2016 Civil Infrastructure Capital Works Program

In 2015-2016, the Council has allocated \$3,240,399 to the Civil Infrastructure Capital Works Program, which involves upgrades and improvements to the City’s streets with works including road reseals, footpath reconstructions, kerb replacements and drainage.

A summary of the 2015-2016 Civil Capital Works Program is set out below.

| | Heathpool | Rothbury Avenue | From Portrush Road to Lesbury Avenue (LHS) |

LHS = Left hand side. RHS = Right hand side.

2015 Annual Hard Waste & Electronic Waste Collection

The Council's annual Hard Waste and Electronic Waste Collection Service for residential properties, will take place from 24 August to 25 September 2015.

The Council has allocated \$146,000 for this service in 2015, to assist citizens to dispose of their hard waste and electronic waste items, free of charge, in a convenient and environmentally responsible manner.

Since 2010, the Council has incorporated the separate collection of electronic waste as part of the Hard Waste Collection Service, to support its ongoing commitment to waste reduction and the responsible management of electronic waste.

The electronic waste that is collected is processed at a specialist recycling facility, where it is disassembled and supplied to other processors for re-use.

In order to be collected, all items for collection must be placed on the kerbside no earlier than 12 noon on the Saturday and no later than 7.00am on the Monday of the designated week for collection in your area.

Hard waste should be visible, neatly stacked as close to the kerb as possible and must not obstruct use of the footpath. Electronic waste should be neatly stacked next to, but separate from, any other general hard rubbish items.

2015 Collection Areas & Dates

Monday 24 to Friday 28 August

Area 1 Hackney, College Park, St Peters, Stepney, Payneham (west of Portrush Road), Evandale & Maylands

Monday 31 August to Friday 4 September

Area 2 Marden, Royston Park, Joslin & St Peters (north of Winchester Street)

Monday 7 to Friday 11 September

Area 3 Payneham (east of Portrush Road), Glynde & Felixstow

Monday 14 to Friday 18 September

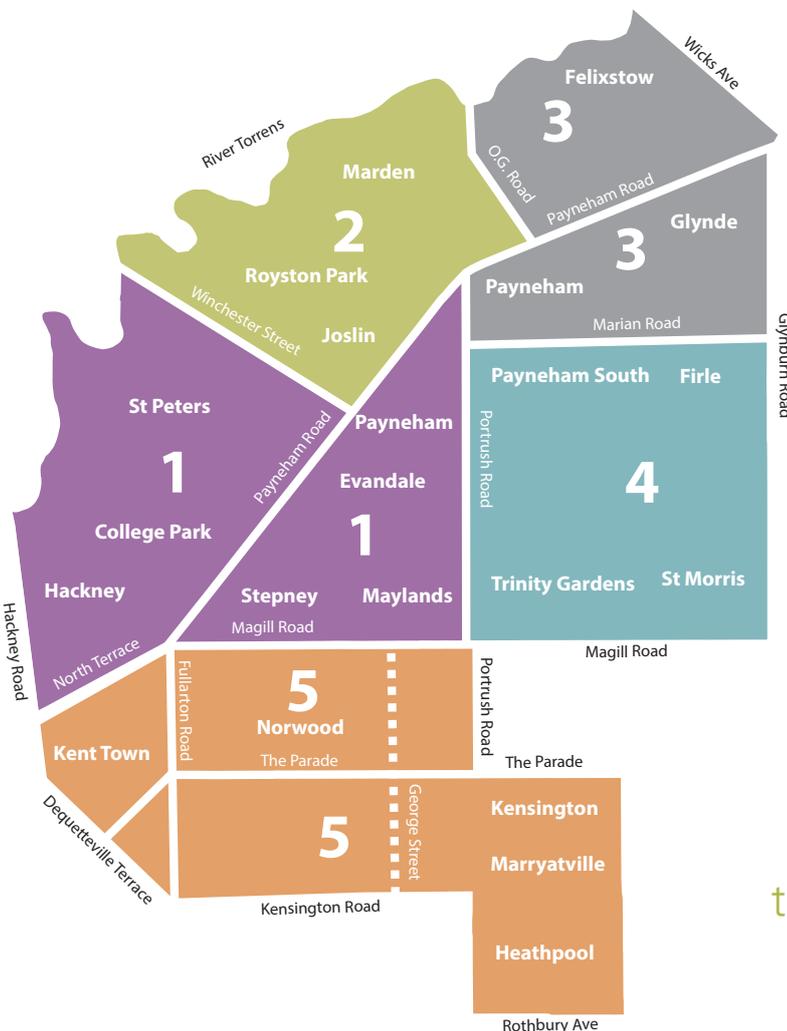

Area 4 Firle, Trinity Gardens, St Morris & Payneham South

Monday 21 to Friday 25 September

Area 5 Kent Town, Norwood, Kensington, Marryatville & Heathpool

For a full list of items that will be accepted for collection and items that the Council will not collect, please visit www.npsa.sa.gov.au

All further enquiries should be direct to the Council's Urban Services Staff on 8366 4533.

Consider donating any reusable hard rubbish items to a local charity shop, rather than having it wasted by being put into landfill.

Collect Your Free Liner Bags Now!

Continuing the success of the Council's Kitchen Organics Service, which enables the recycling of household organic materials via the green organics bin, one free roll of compostable liner bags (150 bags) is available to all residential properties for the new financial year.

These compostable bags are for use in the benchtop Kitchen Organics basket, allowing food scraps and other organic waste materials to be easily collected and transferred into the kerbside green organics bin.

All residential properties will receive a voucher in the post which can be exchanged for a free roll of compostable liner bags, at the Norwood Town Hall or any of the Council's Libraries.

At any time during the year, additional rolls of compostable liner bags (75 bags) may be purchased at a cost of \$4.50 from the Norwood Town Hall or any of the Council's Libraries.

If you have recently moved into a property within the City of Norwood Payneham & St Peters and do not have a Kitchen Organics basket, please visit the Norwood Town Hall with proof of identification showing your residential address, to receive your free basket and one free roll of compostable liner bags (150 bags).

For more information regarding the Kitchen Organics Service, please contact the Council's Manager, Urban Planning & Sustainability, Eleanor Walters on 8366 4521 or email ewalters@npsp.sa.gov.au or visit www.npsp.sa.gov.au

Waste, Recycling & Organics Collection Services Guide

The Council's Waste, Recycling & Organics Services Guide includes comprehensive information about what can and cannot go into each of your kerbside bins, as well as a helpful A to Z Recycling Guide for all waste items. Copies of this Guide are available at any of the Council's Libraries or the Norwood Town Hall.

An easy to use online, version of the A to Z Recycling Guide is also available on the Council's website, www.npsp.sa.gov.au

Sharing Glynde's Secrets at JamFactory

DISCOVER THE HIDDEN SECRETS OF GLYNDE

Building on the success of the Food Secrets of Glynde publication which was launched late last year, the Council collaborated with the JamFactory to hold a special event on 23 April 2015 celebrating Food, Wine and Design!

Staged at JamFactory headquarters in Morphett Street, the event was attended by 100 JamFactory members and artists who enjoyed food manufactured by 12 businesses from the Glynde Precinct, served on a collection of JamFactory's hand-crafted products.

Businesses that were showcased on the night included Amadio Wines, 1645 Coffee Roasters, Pasta Deli, Bread Garden Bakery, AR Premium Foods, La Casa Del Formaggio, L'Abruzzese, Moo Premium Foods, Nuts about Food, Robern Menz, Avanti Pasticceria and Komplete Food Service.

Famed South Australian chef and Glynde Ambassador, Cheong Liew, also provided a cooking demonstration, using ingredients produced in Glynde to create cheese and mushroom pan fried dumplings.

City of Norwood Payneham & St Peters Mayor, Robert Bria, said he was thrilled by the night's success.

"Behind its light industrial façade, Glynde is home to some of our State's true food secrets – long-standing, family owned eateries, businesses and premium food manufacturers, producing wine, cheese, coffee, gelati, confectionary, pasta, pastries and more," Mayor Bria said.

"Recognising the potential to further develop and promote this cluster of businesses, the Council last year developed its Food Secrets of Glynde publication."

"When JamFactory approached the Council about collaborating on an event, we saw a fantastic opportunity to build on the success of this initiative through aligning the Glynde Precinct with an iconic South Australian brand."

"The Council will continue to invest in promoting the Food Secrets of Glynde initiative in 2015-2016 and will investigate opportunities to expand on the program to feature additional food and wine businesses throughout the City of Norwood Payneham & St Peters."

Pasquale Clemente, from 1645 Coffee Roasters, said his business immediately saw a positive return from their participation in the event.

"We had an overwhelming response in the week after the event, with new customers contacting us as a direct result of our attendance at JamFactory," Mr Clemente said.

"It was fantastic to be able to promote our products to a new audience and we look forward to continuing to work with the Council to promote the Glynde Precinct and its food and wine businesses."

For more information about the Food Secrets of Glynde initiative, please contact the Council's Senior Strategic Projects Officer, Keke Michalos, on 8366 4509 or email kmichalos@npsp.sa.gov.au

New Home for the Adelaide Fashion Festival

The Adelaide Fashion Festival has a new home, with the City of Norwood Payneham & St Peters agreeing to transfer ownership and management of the event to the State Government.

An initiative of the City of Norwood Payneham & St Peters and the Norwood Parade Precinct Committee (NPPC), the Adelaide Fashion Festival was first held in 2008. Over the past seven years, the Festival has steadily grown in stature and profile and provided valuable exposure to a number of South Australian designers, such as Paul Vasileff, Cristina Tridente, Jamie Sortino and Melanie Flintoft.

Paul Vasileff (Paolo Sebastian label) featured his collection at the first Adelaide Fashion Festival and has since become an international name in the fashion world, selling wedding dresses in New York and dressing some of Hollywood's biggest stars.

Mayor Bria said that the Council and the NPPC is very proud of its vision, commitment and stewardship of the Festival.

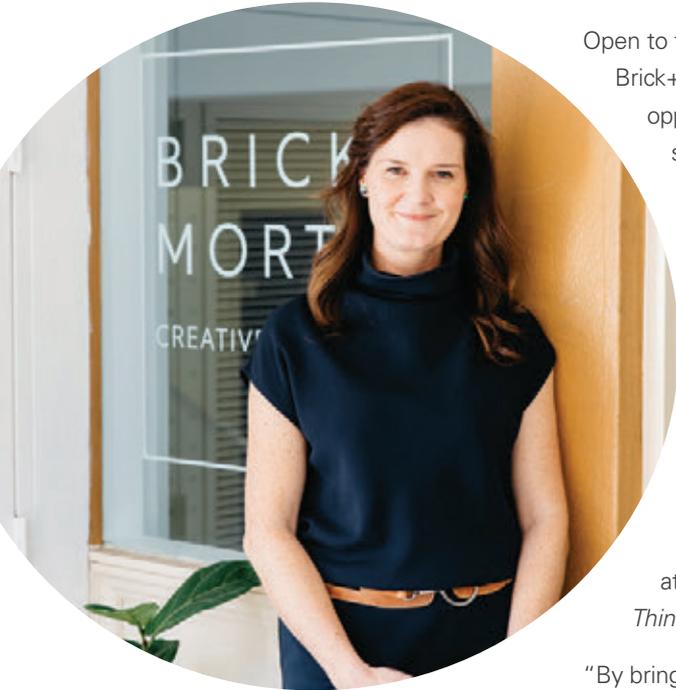

"The Council's long-term objective has always been to establish the Adelaide Fashion Festival as a major event for South Australia," Mayor Bria said.

"It has reached a point where the State Government has recognised the significance of the event and the significant impact on the states economy. Expansion of the Festival to a national and international level is the next logical step."

In February 2015, ownership and management of the Adelaide Fashion Festival was officially transferred to Events South Australia. Under the terms of the Agreement, the City of Norwood Payneham & St Peters will be given ongoing recognition as the founder of the Adelaide Fashion Festival and will reserve the right to host the popular Parades on Norwood Parade event as a satellite event of the Festival in October this year.

Brick+Mortar

Located at 49 George Street, Brick+Mortar is an exciting new creative retail hub in the heart of Norwood, established to support artists, designers and creatives to make the transition from product development to retail presence, without the need for significant investment in business premises.

Open to the public five days a week, Brick+Mortar offers visitors the opportunity to browse individual stores with local designer-makers, visit art exhibitions, talk directly to the artists and makers, and enjoy great coffee. They also run workshops and have a reading and art area for children.

Mayor Bria said the Council had supported the initiative by leasing the Council's premises at a reduced rate as part of its *Thinking Through The City* Program.

"By bringing people together in a creative and multi-generational space, we believe this development will generate both creative and economic activity in our community," Mayor Bria said.

"It will provide our community with the opportunity to support local creative businesses and also assist new businesses to establish a retail presence in the area."

Brick+Mortar co-founder, Elizabeth Donaldson, said they were excited to secure their current location on George Street, Norwood.

"We're really happy to have found a space in Norwood, as we had looked for a location outside the city from the start," Ms Donaldson said.

"There's so much creative activity happening in Adelaide at the moment, but a lot of it is inner-city focused and there's a real appetite to engage in it outside the limits of the CBD."

"Adelaide's suburbs have so much to offer, there's a very rich mix of creative businesses in this area and a real appetite to support local enterprise."

Brick+Mortar was established to both decrease the financial risk and provide business development support to budding creative entrepreneurs.

Brick+Mortar aims to foster the successful transition from concept and creation, to sales in the market place.

Brick+Mortar is open from Wednesday to Saturday from 8.00am – 4.30pm and 9.00pm on Thursdays. Design stores are open from 10.00am and Sunday 11.00am – 3.00pm.

To find out more, including information on resident and exhibiting artists, visit www.brickandmortarcreative.com.au and follow us on Facebook, Instagram or Twitter.

Spotlight on Local Artists

The Council is showcasing local artists during July and August, through hosting the 'Belonging' exhibition.

Held as part of the annual SALA Festival, 'Belonging' is on display in the Reception Foyer of the Norwood Town Hall until 19 August.

The exhibition is open for public viewing from 8.30am – 5.00pm weekdays and until 7.00pm on Thursdays.

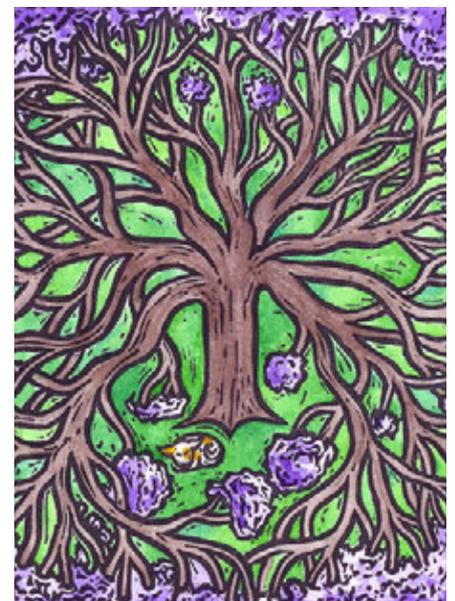

In addition to hosting the 'Belonging' exhibition, the Council is also supporting local artists to hold their own exhibitions throughout the City by subsidising their SALA registration fee.

For a complete list of SALA exhibitions and open studio events in the Council

area, collect a copy of the SALA brochure from the Norwood Town Hall.

For more information about the 'Belonging' exhibition, please contact the Council's Community Arts Officer, Mary Giles on 8366 4602 or email mgiles@npsp.sa.gov.au

For more information about SALA, visit www.salainc.com.au

Fun for Every Generation!

Now in its 48th year, the COTA SA Every Generation Festival will be held in October 2015.

The COTA SA Every Generation Festival is one of Australia's longest running annual arts and community festivals regularly attracting over 100,000 participants across the state. Each year the Festival continues the tradition of celebrating the valuable contribution made by older people to the community.

As a long-standing supporter of the Festival, the City of Norwood Payneham & St Peters will celebrate Every

Generation this year with an exciting month-long series of activities and events, from 1 – 31 October.

"Every Generation aims to encourage people of all ages to become more involved in the community, try a new activity, meet new people and have some fun along the way," said Mayor Robert Bria.

"It is wonderful to see the Council's Every Generation celebrations grow from a concert held annually in October, to this year's month long celebration of diverse activities and events for all ages to enjoy."

Activities and events held locally throughout October will include concerts and performances, exercise classes, come 'n' try fitness activities, cooking classes and bus tours, offering something for every age and interest.

Bookings are essential and can be made online at trybooking.com from early August 2015 (unless otherwise stated).

For more information or booking assistance please contact the Council's Community Care Services Project Officer, Maria DeConno on 8366 4519 or email mdeconno@npsp.sa.gov.au

Norwood Concert Hall Celebrates 100 Years

NORWOOD CONCERT HALL

100 YEARS

— THROUGH THE AGES —

August 2015 marks the Centenary of the iconic Norwood Concert Hall, one of South Australia's most renowned venues for the performing arts.

In celebration of the rich 100 year history of this important venue, a series of performances will be held from 22 August to 6 September 2015.

Norwood Concert Hall 100 Year Anniversary 'Through the Ages' Event Program

The 40's & 50's with Crump Cake Orchestra

Saturday 22 August, Doors open 7.30pm

Presale tickets \$20.00, book online at www.trybooking.com/IHPL

Crump Cake Orchestra presents a special one-off show celebrating their roots in 40's and 50's dance hall music, with a special nine-piece ensemble accompanied by legendary Adelaide vocalist, Luke Thompson.

Hear the sounds of Glen Miller, Bill Haley, Count Basie, Nat King Cole and more as you dance the night away to the music that made this era, one of the best.

For Your Love: 60's British Rock Invasion

Saturday 29 August, Doors open 7.30pm

Presale tickets \$30.00, book online at www.trybooking.com/IIQT

An unforgettable tribute to the music of legendary 1960's British rock bands, including The Rolling Stones, The Beatles, The Kinks, The Animals, The Hollies, Five, The Who and more.

This one night only performance will have you reliving the 60's with hit songs, great harmonies and non-stop dancing. Come dressed for the occasion – prizes will be awarded to the best 60's dress up!

Etypejazz Final Farewell Concert

Sunday 30 August, Doors open 4.30pm

Presale tickets \$20.00, book online at www.trybooking.com/IHPI

After being part of Adelaide's musical landscape for 21 years, Etypejazz are

hanging up their dancing shoes! The band is playing together one last time and would love fans and friends to join them in taking a commemorative trip down memory lane.

Shake Your Booty: 70's Disco Explosion

Friday 4 September, Doors open 7.30pm

Presale tickets \$30.00, book online at www.trybooking.com/IIQZ

Journey of the solid gold Disco, from legendary artists including Donna Summer, The Bee Gees, KC and the Sunshine Band, Gloria Gaynor, Sister Sledge, Chic, Hot Chocolate and Earth Wind & Fire. The show is presented by a 12 piece band together with a stunning multimedia display to take you back to the 70's. Prizes will be awarded for the best 70's costumes!

Fusion Pops Orchestra

Sunday 6 September, Doors open 3.30pm

Presale tickets \$20.00, book online at www.trybooking.com/IHSV

Since 2012, Fusion Pops Orchestra, has been performing rock and pop classics like you've never heard before. Expect to be taken on a musical journey with songs from some of the greats including Coldplay, The Beatles, Sting, Madonna, Frank Sinatra, Nina Simone, Lorde, Beyoncé and more.

Book now to be a part of the celebrations! Tickets available online at trybooking.com

For further information about the Norwood Concert Hall 100 Year Anniversary Celebrations, please contact the Norwood Concert Hall Manager, Ebanney Willox, on 8366 4557 or email ewillox@npsp.sa.gov.au

Calling All Young Creatives!

The City of Norwood Payneham & St Peters is calling on young people to get creative and submit entries into the 2015 Youth Short Film Festival and the Urban Youth Art + Design Exhibition.

Held as part of the Council's biennial Canvas Youth Arts & Events Program, the Short Film Festival and Art Exhibition provide an opportunity for young people aged between 12 to 25 years who live, work, study or volunteer in the Council area, to showcase their creativity to the community and win cash prizes.

For further details, please visit www.npsp.sa.gov.au or contact the Council's Volunteer Coordinator, Rebecca O'Dell on 8366 4631 or email RODell@npsp.sa.gov.au

YOUTH SHORT FILM FESTIVAL 2015
7.00PM / 18 SEPT / NORWOOD CONCERT HALL

Children's Learning Programs

CITY OF
NORWOOD
PAYNEHAM
& ST PETERS

libraries

Story Time Sessions

St Peters Library

Every Monday, 10.30am – 11.00am

Payneham Library

Every Tuesday, 10.30am – 11.30am

Free event – no bookings required

Story Time Sessions provide a fun and stimulating environment for children aged two years and over, with great stories, songs, games and crafts. These sessions help children to improve language and motor skills, develop concentration and imagination, learn to socialise with other children and to develop a lifetime's love of books and reading.

BABY BOUNCE & RHYME

St Peters Library

Every second Wednesday, 10.30am – 11.00am

Payneham Library

Every second Thursday, 10.30am – 11.00am

Free event – no bookings required

Baby Bounce & Rhyme sessions are held for young children from birth to two years. These free fun and interactive sessions allow children to sing songs and nursery rhymes with their parents and other children, which helps to increase vocabulary and develop language, communication and numeracy skills.

For more information about the Story Time Sessions and Baby Bounce & Rhyme, please visit www.npsp.sa.gov.au/libraries

Computer Training Programs

Did you know that the Norwood, Payneham and St Peters Libraries offer a range of Computer Training Programs?

From learning how to manage digital photos with Picasa, the basics of iPads, or getting to know Windows 8, these low cost group training programs can help get you on your way.

Alternatively, you can book a 45 minute personalised session to learn how to get the best from your computer, tablet, smart phone or eBook reader.

For more information or to make a booking, please contact the St Peters Library on 8334 0228 or visit www.npsp.sa.gov.au

Online @ npsp.sa.gov.au

Did you know you can now access a wide range of Council services directly from your laptop or mobile phone?

Visit the Council's new mobile site at www.npsp.sa.gov.au to pay a bill, track a development application, report a problem, or access many other services, whilst on the go.

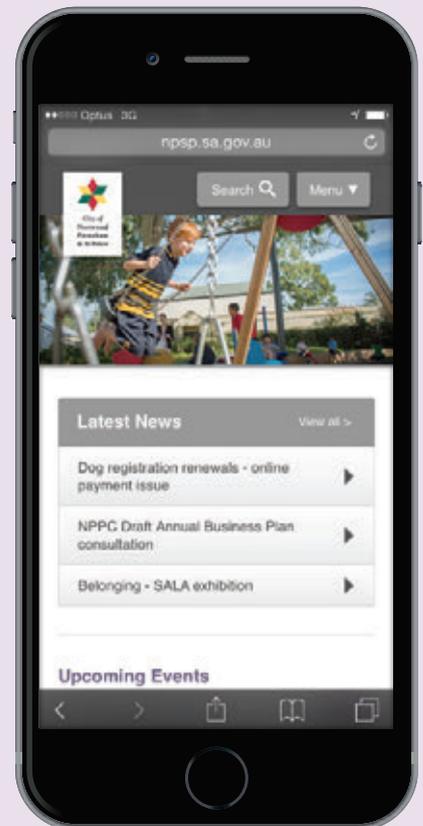

In July 2013, the Council re-launched its website with a brand new design and an improved range of features, including e-alerts and subscription options, social media feeds and an events and festivals calendar.

A mobile-friendly version of the website followed in July 2014 and access to the website from mobile devices, such as tablets or mobile phones, now accounts for 35 per cent of all website visits.

The Council is continuing to grow and develop its online presence to keep up with changing trends and community expectations.

For citizens without home internet access, the Council's three Libraries offer free internet access and allow you to either use their computers or connect via Wi-Fi with your own laptop or mobile device.

For more information about the City of Norwood Payneham & St Peters website, please contact the Council's Website Officer, Julie Adair-Cullen on 8366 4580 or email jadair-cullen@npsp.sa.gov.au
