

Too good to waste?

Before you book a hard waste collection, consider giving away or selling your unwanted items so that they can be reused rather than going to landfill. Donate reusable items to family, friends, charity shops or salvage yards. You can also advertise your goods for free collection on the following sites:

- Facebook
- Gumtree
- Freally
- FreeCycle
- Zilch
- Share N Save

Your collection date

Upon booking, you will receive a confirmed collection date. Collections will be undertaken within four weeks, however during periods of high demand this period may be longer.

General guidelines

Collections will take place from 7am on the collection day. Items can be placed on the verge no earlier than 24 hours before your collection date and no later than 7am on the collection day.

Clearly mark your items as hard waste by using the sticker provided to you by East Waste.

A limit of two cubic metres applies to each booked collection.

Items dumped at the kerbside not as part of a booked collection could incur a \$315 fine for illegal dumping.

Ensuring public safety

- Place items securely on the kerb. Ensure the road and footpath are kept clear.
- Do not stack items too high. Lay tall items down.
- The length of any item must not exceed 1.5 metres.
- Items must be able to be handled safely by two people - no greater than 50kg.
- Bags or boxes must be strong enough so that they do not break open when lifted.

Servizio di raccolta di rifiuti residenziali duri ed elettronici

Il nuovo servizio di raccolta 'prenotata' di rifiuti duri ed elettronici fornisce a tutte le proprietà residenziali del Comune due raccolte gratuite annuali di articoli danneggiati e di scarto duri ed elettronici. Il giorno prima della raccolta dei vostri rifiuti metteteli in un mucchio ordinato vicino al ciglio del marciapiede.

Chiamate il Comune al numero (08) 8366 4555 per una traduzione di ciò che può e non può essere raccolto.

Chiamate East Waste (08) 8347 5111 o visitate www.eastwaste.com.au per prenotare la vostra raccolta di rifiuti duri.
