

Your FREE kitchen organics basket

If you are a new resident or your household does not have a kitchen organics basket, collect yours from the Norwood Town Hall (proof of residency required).

Your FREE compostable bio-bags

Each year, the Council also provides each household with two free rolls of compostable bio-bags to line your kitchen organics basket. Two rolls equates to approximately one year's supply of compostable bio-bags. **Collect your compostable bio-bags using the voucher below.**

Purchasing additional bio-bags

If you run out before the next annual allocation, additional bio-bags can be purchased from the Norwood Town Hall or any of the Council's Libraries for \$4.50 per 75 bag roll. Alternatively, you can purchase compostable bio-bags from a retailer. Please ensure that the bags are marked as conforming with the Australian Standard AS4736, and are therefore 100% compostable. Bags that are not compostable must NOT be used in the kitchen organics basket.

Food waste can also be wrapped in newspaper or can be placed directly into the green organics bin.

FREE compostable bio-bags.

To collect your FREE compostable bio-bags, present this voucher in person at:

Norwood Town Hall - 175 The Parade, Norwood
Payneham Library - 2 Turner Street, Felixstow
St Peters Library - 101 Payneham Road, St Peters
Norwood Library - 110 The Parade, Norwood

Servizio di Rifiuti Umidi della Cucina

Se lei è un nuovo residente o se la sua famiglia non ha un Cesto per i Rifiuti Umidi della Cucina gratuito, potrà ritirarlo dalla Sala Comunale di Norwood (si richiede un documento d'identità). Inoltre, ogni anno il Comune fornisce ad ogni famiglia due rotoli di sacchetti biodegradabili per il suo Cesto per i Rifiuti Umidi della Cucina, circa la quantità richiesta per un anno. Presenti il voucher sul retro alla Sala Comunale e ritiri i suoi rotoli.

Chiami il Comune al numero (08) 8365 4555 per una traduzione di ciò che può e non può essere riciclato tramite il Servizio di Rifiuti Umidi della Cucina.

Υπηρεσία Οργανικής Κουζίνας

Εάν είστε νέος κάτοικος ή το νοικοκυριό σας δεν διαθέτει δωρεάν Καλάθι Οργανικής Κουζίνας, μπορείτε να το προμηθευτείτε από το Norwood Town Hall (απαιτείται αποδεικτικό κατοικίας). Κάθε χρόνο, ο Δήμος επίσης προμηθεύει όλα τα νοικοκυριά με δύο δωρεάν ρολά με λιπασματοποιημένες σακούλες για το Καλάθι της Οργανικής σας Κουζίνας, περίπου έναν χρόνο προμήθειας. Παρουσιάσετε το κουπόνι της επόμενης σελίδας στο Norwood Town Hall για να προμηθευτείτε τους ρόλους σας.

Επικοινωνήστε με το Δήμο στο (08) 8366 4555 για μεταφρασμένες πληροφορίες σχετικά με αυτά τα απόβλητα που μπορούν και δεν μπορούν να ανακυκλωθούν μέσω της Υπηρεσίας Οργανικής Κουζίνας.

कचिन ऑर्गेनिकस सर्विस (रसोई ति जैनवा खाद से सम्बन्धित सेवा)

यकद आप नए ननवासी हैं या आप घर में नन:शुल्क कचिन ऑर्गेनिकस बाँस्टि नहीं है, तो इसे Norwood टाउन हॉल से प्राप्त करें (ननवासि प्रमाण ति जरूरत होगी)। हर साल, तिउनसल आप ति कचिन ऑर्गेनिकस बाँस्टि ति नलए फिोस्टेबल नवन लाइनर बाँस्टि दो नन:शुल्क रोल प्रदान रिती है। इधरें प्राप्त रिने ति नलए Norwood टाउन हॉल पन्ने ति नपछे कदया वाउचर कदखाएँ।

Kitchen Organics Service

Household food recycling made easy.

City of
Norwood
Payneham
& St Peters

The Kitchen Organics Service is a significant waste reduction initiative by the City of Norwood Payneham & St Peters, to encourage and support the recycling of household food and organic waste.

Benefits of recycling your food waste

When food waste is sent to landfill it rots and releases methane, a harmful greenhouse gas with 21 times the global warming potential of carbon.

However, when food waste is composted, the nutrients and organic matter are recovered and recycled into a valuable resource called compost. When compost is added to soil, it improves soil health, stores carbon and improves the productivity of the land, including your garden!

By collecting and recycling organic material from kitchens and gardens across our City, the Council and the community will be working together to minimise the amount of organic waste going to landfill.

What can be recycled through the Kitchen Organics Service?

Anything that once grew is suitable for recycling in the kitchen organics basket, including:

Fruit & vegetables (whole or scraps)
 Dairy products
 Meat & bones (cooked or raw)
 Cake, pasta & bread scraps
 Egg shells, seafood scraps & oyster shells
 Paper towels, napkins & tissues
 Corncobs
 Coffee grounds
 Tea bags (including tags)
 Citrus
 Hair
 Cut flowers

Please **do not** put these items in the basket:

- ✗ Plastic bags (even bio-degradable)
- ✗ Cling wrap or foil
- ✗ Cigarette butts or ash
- ✗ Dishcloths and sponges

Using your kitchen organics basket

Place a compostable bio-bag liner into the kitchen organics basket and then place your food scraps into the basket. When full, or every two to three days, simply tie the bio-bag and place it into your green organics bin along with your garden waste.

The liners will start to break down within a few days of being in contact with food so regular emptying will help avoid odours or the bag breaking.

FREE compostable bio-bags.

Please issue two free rolls of compostable bio-bags to:

Name

Address

Signature

This voucher is valid until 30 June 2018.
